Tuition & Fee Details:

<https://bursar.okstate.edu/tuition-fees/tuition-fees.html>

*Some elective courses have additional fees & will be listed on the elective information sent out each semester prior to enrollment

Third Year: Costs and Financial Aid are divided 40% fall, 40% spring and 20% summer. For financial aid purposes, the summer term is considered third year instead of fourth year. If you plan on accepting summer financial aid, you will need to do that when you accept fall and spring financial aid.
