Net Vet Weekly - June 7, 2021

Vet Med Hosts Ambassador of Kenya

Dean Carlos Risco and other Oklahoma and OSU leaders recently welcomed Ambassador David Gacheru, Deputy Chief of Mission of the Embassy of the Republic of Kenya to the United States of America. Ambassador Gacheru came to Stillwater to discuss Kenya's beef cattle industry and opportunities for collaboration. Read the full story at Veterinary College Hosts Ambassador Gacheru.

Yoast Earns 2021 Dean McElroy Award

Congratulations to Gregory Yoast, DVM, on receiving the 2021 Dean Clarence H. McElroy Award! Chosen by his classmates and fourth year instructors, the award was announced during the class of 2021 commencement. Read more and meet Dr. Yoast at Dr. Yoast Earns Dean McElroy Award.

Vet Med Faces of Research: Dr. Todd Holbrook

This month's Vet Med Faces of Research features Dr. Todd Holbrook, professor and holder of the June Jacobs Chair in Veterinary

INTERACT Corner

This week we hear from Dr. Craig Miller, assistant professor in the Department of Veterinary Pathobiology. Miller serves on INTERACT's internal advisory committee in addition to using INTERACT to compliment his research. Read more and watch a short video at Dr. Craig Miller on INTERACT.

Introducing Harbor Career Platform

Harbor is a member network that helps veterinary professionals and students take ownership of their careers and well-being. We invite students to create a free profile, connect with classmates and colleagues, engage with mentors, explore career opportunities (externships and internships) and utilize groups. For more details visit https://harbor.vet/.

2 Internships Available

Veterinary Clinical Sciences is seeking two Small Animal Emergency and Critical Care interns. For complete details, please visit Clinical Internships in SA ECC.
Medicine. Dr. Holbrook shares how his research has improved the health and well-being of horses everywhere. Read more and watch a short video at Vet Med Faces of Research: Dr. Todd Holbrook.

Veterinary College Welcomes Dr. Kemba Marshall

The college recently hosted Kemba Marshall, DVM, MPH, DABVP (Avian) via Zoom. Marshall spoke to fourth year veterinary students about diversity, equity and inclusion framing her presentation around questions our students submitted in advance. Read the full story at Dr. Kemba Marshall.

Bobcat Fever Update

Congratulations to Dr. Craig Miller and his team on their research into bobcat fever. Their work was highlighted in "Cytaxozoonosis - An Emerging Threat to Cats" published by Morris Animal Foundation. Read the full article at Dr. Craig Miller's Lab is Helping Cats.

House Officer Seminar

Reminder that these seminars are now being held in person.

Kelsey Jurek, DVM, will present "Effect of Perfusate Volume on Amikacin Concentrations Following Saphenous Intravenous Regional Limb Perfusion in Standing, Sedated Horses" on Thursday, June 10, at 8 a.m. in Room 002C at the Veterinary Medical Teaching Hospital. Dr. Jurek is an equine surgery resident mentored by Dr. Mike Schoonover.

The recorded lecture will be available on Moodle in the course VBSC 6710. However, the questions will be handled in the in-person session only.

OSU/OVMA Summer Seminar

The 2021 OSU/OVMA Summer Seminar will be virtual on June 18-19 with a new viewing option! Thanks to sponsors Boehringer Ingelheim and Zoetis, a limited number of online viewing seats are available for a Saturday only Watch Party in Oklahoma City.

For details, including information on the keynote speaker Dr. Christine Jenkins, and to register now, visit 2021 OSU/OVMA Summer Seminar.
