

CENTER FOR VETERINARY HEALTH SCIENCES **Friday Bit for Alumni and Friends**

DON'T THINK I DON'T THINK ABOUT IT »

Alumni in the veterinary profession provide the ultimate service to humanity.

Wellness.

Recently, I conducted an experiment to capture international veterinary career paths and combined foreign travel or cultural immersion through training, military service or service projects. The discovery produced results that confirm our alumni are focused on building and strengthening intercollegiate and international relationships with the goal of improving the health of animals, people, and the planet. That's some plenty amazing outreach leverage for partnerships both at home and away. Alumni serving abroad use integrative approaches that incorporate community education and collaboration with local veterinary professionals, organize field clinics, advocate for the improvement of animal health and sustainable agricultural practices.

Alumni from our school serve selflessly, making a profoundly positive impact in the individual lives of all areas of service. You are a 24/7 profession and you deserve the very best in support for your efforts.

TRAIL RIDE »

Get your, um, mules in gear and prepare to ride the trail to the **Corral Crawl 2018**. **Class years ending in 3 & 8** celebrate renewed connections with classmates and the school. (You won't believe the changes!) A photographer will be on hand for pics and I'll have some mighty fine craft beers and fine wines to accompany a buffet meal on Thursday, October 11. Discover what some of your classmates have been up to along the trail. The **Corral Crawl and Distinguished Alumni Luncheon** are advance ticketed events so watch our [website](#) for registration opening later this summer. Don't need the 13 hours of CE? Register for Alumni Events only but you must register to attend. No tickets are sold at the door.

Accommodations are awaiting you at **Home2 Suites by Hilton, 306 E. Hall of Fame, Stillwater, OK 74075, (405) 372-2550 Code VHS Alumni 2018**. Rates for October 10-12 are \$91. **Deadline for reservations is September 10, 2018.**

Fall Conference takes place at Wes Watkins Center, October 11-12.

Hey, **FRIDAY**. Statistics say a shorter workweek will benefit people, the planet, and the economy. Just sayin'.
