

CENTER FOR VETERINARY HEALTH SCIENCES **Net Vet Weekly**

It's Time to Celebrate

Help celebrate **International Lab Animal Technician Week** now through Feb. 6. Let's take a moment to thank the technicians and technologists who help care for animals associated with research projects across campus. Lab animal technicians and technologists provide an essential contribution as members of each research team.

Lab animal technicians certified by AALAS at the CVHS are:

- **Janelle Ballard, RLATG**
- **Martha Bastion, LAT**
- **Scott Freeman, RLATG**
- **Jill Murray, RVT, RLATG, VTS (AVTCP- Exotic Companion Animals)**

OSU takes great pride in the care provided to all animals associated with OSU.

Calling all Authors

CVHS authors - add your name to the list of 2016 OSU authors. Each spring, the OSU Library honors OSU employees and students who have authored, co-authored or edited a book or published a major creative work such as musical composition, art exhibit catalog or audio recording in the past two years.

Let's be sure the CVHS authors are included in the OSU Library's collection. Please include your work in this year's event by filling out the [Author Form](#) now.

The actual celebration will take place on February 17 starting at 11:30 a.m. Watch *Net Vet Weekly* for full details as the date approaches.

Try this Database

OSU has a trial period for Noah's Arkive, a comprehensive image archive produced by the University of Georgia College of Veterinary Medicine. The trial is only good through Saturday, Feb. 20. Please check it out and let **Lynne**

Oklahoma Center for Respiratory and Infectious Diseases

Jacob Yount, PhD, will present "IFITM3 and a new cellular target for broadly inhibiting influenza virus infections" on Wednesday, Feb. 3, at 12:15 p.m. in Room 259 McElroy Hall.

Yount is an assistant professor in the Department of Microbial Infection and Immunity at Ohio State University.

House Officer Seminar

Katie Hornberger, DVM, will present "Estrus Suppression in the Mare" on Thursday, Feb. 4, at 8 a.m. in Room 104 at the Veterinary Medical Hospital.

Hornberger is a theriogenology resident mentored by **Dr. Betsy Coffman**.

Veterinary Biomedical Sciences Seminar

Willie Collins will present "Targeting intracellular *Yersinia* by nanoparticle mediated induction of autophagy" on Thursday, Feb. 4, at 4 p.m. in Room 259 McElroy Hall.

Collins is a graduate research assistant and MS student in the Department of Physiological Sciences. He is mentored by **Drs. Jerry Malayer** and **Ashish Ranjan**.

Peterson Funeral Services

Funeral services for **Mrs. Janet Peterson**, the widow of Emeritus Professor **Dr. Duane R. Peterson**, will be held on Friday, Feb. 5, at 11 a.m. at the First Presbyterian Church in Stillwater.

Dr. Peterson taught the first lecture at what was then the Oklahoma A&M College School of Veterinary Medicine. In 2008, the Duane R. Peterson Anatomy Learning Center was dedicated in his honor with Janet and their sons attending the ceremony.
