

Panciera Nominated for Award

Dr. Roger Panciera ('53), Emeritus Professor, has been nominated for the Cattle Production Veterinarian Hall of Fame. Co-sponsored by the Academy of Veterinary Consultants, the American Association of Bovine Practitioners, *Bovine Veterinarian*, Merck Animal Health and Osborn Barr, the award recognizes one beef veterinarian and one dairy veterinarian who have made lasting contributions to the profession.

Only AVC and AABP members may vote between April 1 and August 6, 2016. Members may vote online or during the organization's spring and summer conferences. Dr. Panciera has been nominated in the beef category. You can read his bio and vote at <http://www.avc-beef.org/>.

Oklahoma Center for Respiratory and Infectious Diseases

David Kamp, M.D. will present "The asbestos paradigm in unraveling the mechanisms of alveolar epithelial cell apoptosis and lung fibrosis" on Wednesday, March 2, at 12:15 p.m. in Room 259 McElroy Hall.
