

## FRIDAY BIT - 17 JANUARY

### » How We Distinguish »

**Call for Nominations.** The deadline is approaching for nomination of a classmate for **Distinguished Alumni** honors **2020**. Three CVM alumni are honored annually who are exemplary in the areas of practice, academia and research disciplines. Eligibility requirements and a list of previous recipients is available at [nominate](#). Nominees remain eligible for three years. **Deadline to nominate is May 1.** Contact [Sharon Worrell](#) for assistance.

### Warm our Heart Cockles

Alumni-related features about our heroes highlight particular talents, projects, or new directions alumni are heading that impact the profession of veterinary medicine. Submissions can be made directly to the alumni office. We look forward to hearing from you and sharing your "[Featured Alumni](#)" story with the CVM community.

### Feeling the Chill?

Class Representatives are key contacts for keeping classmates connected to one another and their alma mater. The CVM [Alumni Affairs Specialist](#) can assist with event planning, mailings and meeting arrangements. If you are having difficulty conducting Class Rep duties, please reassign your position to another classmate willing to assume the role and notify the Alumni Office of the change. Your alumni leadership team appreciates every effort you make to stay connected to the vital services and information made available through the Advancement Office.

## Are We Organic? Sustainable? Does it Matter?

At the CVM, we produce alumni who are hand-nurtured in the disciplines of animal and human wellness. We have been growing career-ready veterinary health professionals for more than 60 years.

Preparing and sustaining DVM students and alumni has strict production requirements. Keep in mind we are among our students each and every day. We inspect our crop daily. We're a small grower but I can assure you we are committed to quality and we are good stewards of our resources.

**CVM hosts Career Day** for students and employers, **November 7, 2020**. Save-the-date and visit the CVM Mega Booth during OVMA to submit your hiring interests to Sharon. We help supply leaders ready to grow in expanding veterinary environments. Visit the [Career Day](#) page at our website for more info. Because, an **orange** education does matter.

## Norman Forecast

**Expect orange.** Join us at the **2020 OVMA Conference** hosted by the Oklahoma Veterinary Medical Association on January 23-25, 2020. The convention will be held at the Embassy Suites Convention Center in Norman, Oklahoma. The OSU College of Veterinary Medicine will be waiting to greet you at their mega booth. Stop by the alumni booth for that chance to win some swag in your favorite colors. For more information, contact Sharon at 405-612-5359 or [sworrel@okstate.edu](mailto:sworrel@okstate.edu)

**FRIDAY!** At times you're difficult to distinguish.

**Text: Hey, I am here for you.**

**Me: Oh, wow! Thanks. It's been rough. BTW, I lost my phone contacts. Who is this?**

**Text: This is your Uber driver.**
