

CENTER FOR VETERINARY HEALTH SCIENCES **Friday Bit for Alumni and Friends**

A LIFE WELL LIVED »

The wife of a legend has passed away. The CVHS community mourns the loss of Janet Peterson, wife of Dr. Duane Peterson, emeritus faculty. Many of you remember the architect of the anatomy hand-illustrated charts. The charts have been preserved digitally in OSU Library special collections and of course, are considered CVHS monuments. Peterson earned his master's and DVM degrees at K-State. He dedicated 40 years to OSU students of veterinary medicine. Appropriately, today's students study anatomy in the Duane R. Peterson Anatomy Learning Center, dedicated during the college's 60th anniversary in 2008. We celebrate his legacy and are reminded that behind every great man there once stood an equally great woman. Services for Janet K. Peterson will be 11:00 a.m., Friday, February 5, at First Presbyterian Church, 524 Duncan Street, Stillwater, OK. 74074.
