

CENTER FOR VETERINARY HEALTH SCIENCES **Friday Bit for Alumni and Friends**

Cue the glitter, it's 2019!

ABOUT THE AUTHOR »

Alumni Affairs is what I do, but resolute is who I am.

Firmly determined.

Serving the alumni of CVHS is more than a position, it's a brand built on tradition, engagement and beautiful stories. Whether it's through life celebrations, reunions, event styling or private workshops, I am committed to sharing and creating unique and purposeful experiences that enhance the affinity of alumni.

I avidly believe in togetherness.

Relationships are nurtured with whom I interact, grieve, share and serve. All of this goes deeper than transactional business. It's a lifestyle, authentically and thoughtfully curated through experiences.

Real friendships and partnerships are cherished.

Alumni, our people, matter to me. Your stories deserve wings and I am honored to play a small part in those stories.

I am passionate about health and wellness.

Through serving the profession of veterinary medicine together, we heal our environment.

I love to travel and experience cultural differences.

Humanity is one.

I have a darkside.

Not an 8-5-er.

Alumni Affairs is the overflow of my heart.

I look forward to serving you in 2019 as we evolve our brand together.

ABOUT YOU »

When I ask alumni, "**What inspired you to become a veterinarian?**" the answer is rooted in **connection**. To community, compassion and a lifetime of learning and discovery.

Who wouldn't want to be surrounded by people whose values improve the quality of life for others? More than ever, the power to forge healthy, human connection and positive mental health is crucial for one another.

Resolve for 2019 to dissolve loneliness, to authentically care and perhaps most importantly, to recognize yourselves for the wellness you craft for those you serve.

What distinguishes us from other animals?

It's the power of the human heart.

And... like 10 alarms it's **F R I D A Y!** Too much sparkle? Not if it's **orange**.
