

## FRIDAY BIT - October 25

### » MEANWHILE IN A GALAXY NOT-SO-FAR-AWAY »

In the CVM orbit, be assured we never go "Solo". **We are an alliance.**

Time-travel back to 2017. **Jose Oyola Morales and classmates** created **Flea Biscuit** and established a clinical fund to aid stray and alien beasts. Nopety, nope, he's not in exile on Hoth, but alive and well in McElroy Hall, the iconic headquarters of the defense against [biomedical](#) invaders.

For a sampling of established class projects visit the alumni [launch site](#).

### FORCE FIELD

**Corral Crawl** celebrates alumni reunions at the lovely **ConocoPhillips Alumni Center, November 14, 6:30 p.m.** We'll be examining how alumni navigate their super-powered careers centered on professionalism, fair play,

loyalty, respect and a wee bit of spaced-out fun. A hearty buffet meal catered by Rancher's Club will enchant us and a cash bar features local craft beer and personally selected California/Oregon wines.

**The Distinguished Alumni Luncheon is Friday, November 15, 11:30 a.m.**, room 101 West Watkins Center. Honorees for 2019 are the stellar **Drs. John Myers ('71), Ronald Tyler, Sr. ('77) and Paul Welch, ('81).**
