

## CENTER FOR VETERINARY HEALTH SCIENCES **Friday Bit for Alumni and Friends**

### **WE CAN RULE THE GALAXY »**

Class Representatives are the key contacts for keeping veterinary classmates connected to one another. As your CVHS Alumni Affairs Specialist, I assist you with event planning, mailings and meeting arrangements. If you are a class leader and have difficulty conducting your duties, please consider reassigning your position to another classmate willing to assume the role of Class Representative. Then notify me of the change. I appreciate all efforts to connect your classmates to their alma mater and one another. Help you, I can.
