

## CENTER FOR VETERINARY HEALTH SCIENCES Friday Bit for Alumni and Friends

### CALL FOR RECRUITS »

#### Post-DVM graduates for the PhD program wanted.

Grad students and postdoctoral fellows seeking new career challenges leading to careers in teaching, research or other aspects of veterinary medicine are encouraged to contact us about graduate training opportunities. Opportunities can combine training in infectious disease, parasitology, physiology, or other discipline, with residency training, public health, or business, leading to the Doctor of Philosophy degree or Master's in Science, Public Health or Business Administration. Our goal is to train academic scientists, teachers and clinicians across disciplines in preparation for careers in academic veterinary medicine, public service or industry.

#### Direct inquiries to:

Dr. Pamela Lloyd, Graduate Program Coordinator
