Friday Bit for Alumni and Friends

THE WEIGHT OF THESE HOOVES »

This just in from our **State Veterinarian, Rod Hall ('77)**...

Just days before Christmas, Dr. Hall is putting the minds of Oklahoma children at ease. He has cleared travel for Santa's reindeer through the state.

"I have worked diligently with Dr. Robert Gerlach, State Veterinarian of Alaska, to ensure Santa's reindeer have been inspected, have met Oklahoma's entry requirements, and are properly documented on a **Certificate of Veterinary Inspection** in anticipation of their trip across Oklahoma on Christmas Eve," a statement from Dr. Hall said.
