PROUD & IMMORTAL 4TH YEAR DINNER »

March 27th at 5:30 p.m. in the beautiful ConocoPhillips Alumni Center, CVHS alumni host the **Class of 2018** for an interactive communications and alumni programming event. Yep, you can think of this opportunity as discovering what you don't know you need to know.

We will introduce opportunities for volunteering, forming relationships for lifelong enrichment of the college and demonstrate the importance of recognizing the social and professional impact of strong affiliation. Presentations address support programs that serve college needs, career strategy and mentor opportunities for professional development. A challenge is issued to foster a culture of giving through establishing a class gift. Attire is business orange, of course.
