

COLLEGE OF
VETERINARY MEDICINE

FRIDAY BIT - 7 February

» **Space Oddity? Nope.** »

Applications for Grandparent University 2020 are now open!

Calling all **Space Cowboys** for sessions offered **June 17-19 & 24-26**.
Application deadline is **April 1, 2020**.

Since 2003, the OSU Alumni Association has welcomed OSU Legacies ages 7 to 13 and their grandparents to campus for a unique intergenerational learning experience at Grandparent University. This three-day summer camp is a fun-filled experience that actively engages kids in academics at OSU while creating memories for grandparents and their grandchildren.

The Legacies enroll in one of the provided majors. After completing the program, they will "graduate" with a certificate in their chosen field. Along with the activities in the classroom, there is time to socialize over swimming at the Colvin Center or cheering at the OSU tailgate.

A Legacy is a child who is registered in the legacy program under a parent or grandparent who is an active member of the OSU Alumni Association. To make sure your Legacy will receive all the benefits of the Legacy program, including Grandparent University, you may want to check your Legacy's registration and membership status by calling the Alumni Association at 405.744.5368.

GPU list of [Majors](#) **Hint: Vet Med is session June 24-26**. Enroll your space cadets quickly as majors fill like meteor shower fast.

4th Year Food Truck Event - State Exam Treats!

The **CVM Alumni Society** celebrates the accomplishments of the **class of 2020** by offering a **complimentary food truck** meal selection at McElroy Hall following state exams on April 20, 4:00 p.m. **Alumni and all 4th year students are invited to attend.** Sponsors are needed for the event and may contact the Advancement Office/Alumni Affairs at 405-744-5630 or sworrel@okstate.edu to participate.

Western Veterinary Conference

Road trip. Join us for an **alumni reception February 17, 6:30 p.m. at Mandalay Bay, Las Vegas.** Registered attendees receive an emailed reminder of the reception location on Monday, Feb. 17. Monitor your devices for the notification or contact 405-612-5359 (Sharon) for details.

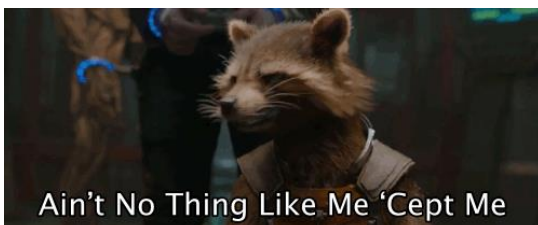

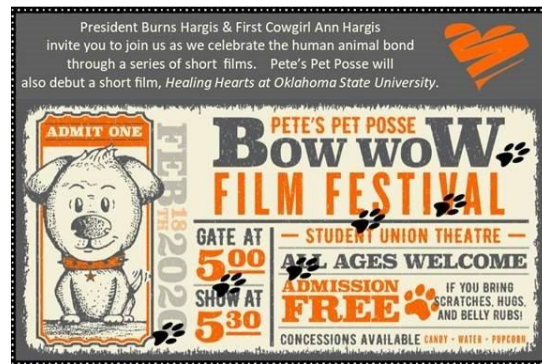

Bow Wow Film Festival

Animals are the stars at the **Bow Wow Film Fest, showing February 18, 5:00 p.m. in the SU Theatre. Admission is free.**

Pete's Pet Posse is a trained therapy unit commissioned to provide affection and comfort to the hospitalized, retirement home residents, schools, hospices and humans in need of a furry friend.

Therapy animals differ from service animals. Service animals provide assistance for individuals and should not be touched while working. A therapy animal is trained to interact with a variety of people through touching. The OSU Pet Therapy Program is designed to enhance wellness of campus populations and contribute to the success of OSU as **America's HEALTHIEST** campus.

The CVM partners with P3 providing proper nutrition and veterinary care to the team.

FRIDAY!

You have undeniable chemistry. Got to gggo.
