Peripheral: noun: Added components increasing capabilities.

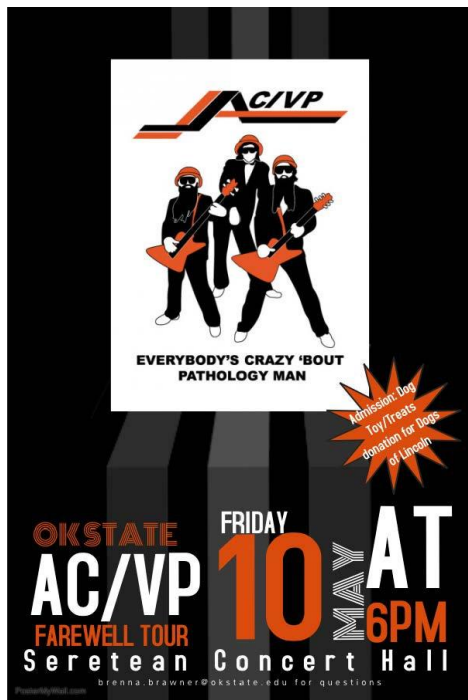

Situated away from the center, as opposed to centrally located, visionary alumni allow CVHS to harvest great programs for students and the **Alumni Society**. Together, we celebrate the accomplishments of the **class of 2019** by offering a complimentary food truck meal selection outside McElroy Hall following state exams on **April 15, 5:00 p.m.**

Special thanks to the following alumni whose contributions make this event possible. **Jeffrey Ellis ('80), Paul Frith ('65), Rod Hall ('77), Craig Jones ('89), Terry Lehenbauer ('79), John Marshall ('76), David Mitchell ('62), Kim Morey ('90), Oakridge Equine Hospital, John Otto ('90), Thomas Phelps ('69), Anthony Thomas ('61), Rachel Wardlow ('13), and Tina Neel ('79), Grand Sponsor.**
