

CENTER FOR VETERINARY HEALTH SCIENCES

FRIDAY BIT

for Alumni & Friends - May 31

CLASS OF 1963 Distinguished Lecture

Lawrence B. Schook, PhD

Edward William and Jane Marr Gutgsell Professor
Departments of Animal Sciences and Radiology
University of Illinois at Urbana-Champaign and the University of Illinois at Chicago

The **Class of '63** sponsors and hosts student and alumni distinguished lecture opportunities during **Fall Conference, November 13-14**. Joining us this year is **Dr. Lawrence B. Schook** who will speak to veterinary students Wednesday evening at 6:30 p.m. in **McElroy Hall Auditorium** on the topic, ***"Elements of a successful research enterprise: Creating your path forward."***

Thursday, November 14, his keynote presentation ***"The Oncopig Cancer Model (OCM): A platform for transitional, translational and transformative advances in cancer research"*** opens Fall Conference at **Wes Watkins Center**.

Dr. Schook received his PhD from Wayne State School of Medicine. After postdoctoral training at the Institute for Clinical Immunology in Switzerland and the University of Michigan he has held faculty positions at the Medical College of Virginia; University of Minnesota; Visiting Professor at the Ludwig Cancer Center of the University of Lausanne; Fulbright Distinguished Professor, U. of Salzburg; and at the University of Illinois. A recipient of NIH, Swiss National Fund and Pardee Fellowships, he was named at the U of Illinois as a University Scholar, received the Funk Award for Meritorious Achievements in Agriculture, the H. H. Mitchell Award for Graduate Teaching and Research, the Pfizer Animal Health Research Award, and is an elected Fellow of the American Association for the Advancement of Science. He serves on the National Academy of Sciences' Council for the Institute for Laboratory Animal Research (ILAR) and was co-Editor-in-Chief of the ILAR Journal. He has authored over 250 peer-reviewed manuscripts and edited 9 books.

CVHS/OVMA Summer Seminar

Summer Seminar is **Friday, June 21-Saturday, June 22, at McElroy Hall**.

Continuing education programs provide veterinarians, veterinary techs and hospital staff an opportunity to stay apprised of the latest diagnostic and therapeutic techniques and management recommendations available to the profession.
