

CENTER FOR VETERINARY HEALTH SCIENCES **Net Vet Weekly**

OVMA Convention

Register now to attend the Oklahoma Veterinary Medical Association's 101 Annual Convention and Expo. This year's event will be held January 28-30, 2016, at the Doubletree Hotel and Cox Convention Center in Tulsa, Okla.

Please be sure to visit the CVHS Booth # 75 in the Exhibit Hall.

Oklahoma Center for Respiratory & Infectious Diseases Seminar

JoAnn Lighty, PhD, will present "Overview of Research Opportunities at NSF and in the Chemical, Bioengineering, Environmental, and Transport Systems Division" on Tuesday, Jan. 12, at 12:15 p.m. in Room 259 McElroy Hall.

Lighty is a professor of Chemical Engineering at the University of Utah and division director of Engineering/Chemical, Bioengineering, Environmental, and Transport Systems at the National Science Foundation.

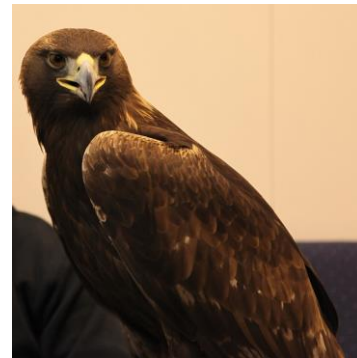

This presentation is co-sponsored by OCRID, the Interdisciplinary Program in Regenerative Medicine and the School of Chemical Engineering at OSU.

House Officer Seminar

Dr. Camilla Jamieson will present "Clostridian GI Diseases of the Horse" on Thursday, Jan. 14, at 8 a.m. in Room 104 at the Veterinary Medical Hospital. Dr. Jamieson is an equine internal medicine resident mentored by **Dr. Tamara Gull**.

CVHS Featured at Eagle Watch

Joao Brandao, LMV, MS, and **Ian Kanda, RVT**, with the Avian, Exotics and Zoo Medicine Service, will present information on injured wildlife at the Kaw Lake Ultimate Eagle Watch on Saturday, Jan. 16.

Brandao and Kanda will present "Who treats injured wildlife?" at 10 a.m. discussing common intoxications, diseases and injuries that they have treated in the CVHS Wildlife Rehabilitation Program. They will also talk about the veterinarians they train at OSU's Veterinary Medical Hospital. Kaw Lake is located approximately 8 miles east of Ponca City.

OCASCR Seminar

Pamela Hehron Robey, PhD, will present "Skeletal Stem Cells: History, Origins, and Function" at the Oklahoma Center for Adult Stem Cell Research Seminar on Tuesday, Jan. 19. The seminar will be held at 11 a.m. in the Wileman Learning Center at the Oklahoma Medical Research Foundation and available by video in Room 259 McElroy Hall.

Robey is with the National Institutes of Health's National Institute of Dental and Craniofacial Research and serves in a number of capacities including acting scientific director for the NIH Stem Cell Unit.

Editor's Note

The next issue of *Net Vet Weekly* will be published on Tuesday, Jan. 19, 2016.
