

## CENTER FOR VETERINARY HEALTH SCIENCES Net Vet Weekly

### Leading the Way

OSU was well represented at this year's Veterinary Leadership Experience held in Post Falls, Idaho. **Lauren Foley** ('19) and **Elizabeth Crabtree** ('18) attended to prepare for their role in the class of 2020 orientation. **Drs. Greg Campbell** ('85) and **Sarah Ward** ('13) served as VLE facilitators for veterinary students attending from across the U.S. and around the world.

Pictured above aboard a sunset ferry cruise at the end of the conference are (left to right): **Lauren Foley**, **Dr. Sarah Ward**, **Dr. Greg Campbell**, and **Elizabeth Crabtree**.

### House Officer Seminar

**Paige Mackey, DVM**, will present "Hyperadrenocorticism" on Thursday, June 30, at 8 a.m. in Room 104 at the Veterinary Medical Hospital. Mackey is a small animal internal medicine resident mentored by **Dr. Shane Lyon**.

### Veterinary Biomedical Sciences PhD Defense Seminars

**Brian Herrin, DVM**, will present "Geographic distribution of *Lyme borreliosis* in North America" on Thursday, June 30, at 2 p.m. in Room 259 McElroy Hall. Herrin is a PhD candidate in the Department of Veterinary Pathobiology mentored by **Dr. Susan Little**.

**Manushree Bharadwaj, BVSc**, will present "Pharmacokinetic and pharmacodynamic study of pyridostigmine in congestive heart failure" on Friday, July 1, at 10 a.m. in Room 259 McElroy Hall. Bharadwaj is a PhD candidate in the Department of Physiological Sciences mentored by **Dr. Lara Maxwell**.

### House Officer and MS Defense Seminar

**Rachel Oman, DVM**, will present "Quantifying Goat IgG Using a Digital Brix Refractometer" on Thursday, July 7, at 8 a.m. in Room 104 at the Veterinary Medical Hospital. Oman is a food animal medicine and surgery resident and MS student mentored by **Dr. Robert Streeter**.

### Do You Have Good Horse Sense?

Horses are an investment worth keeping healthy. Here are some good tips for equine owners and practitioners [Biosecurity for Horses](#).

## Getting to Know You

**Corbin Telford, DVM**, is a small animal medicine and surgery rotating intern. Originally from Raleigh, N.C., he earned his DVM degree from North Carolina State University. His research interests focus on ophthalmology, especially ocular drug delivery, glaucoma and novel therapeutic techniques.

Telford is a practitioner of mindfulness exercises and a proponent for the continued adoption of mindfulness into the veterinary profession. In his spare time, he enjoys sports such as soccer, volleyball and tennis, which he played in high school and college. He is also interested in all things related to the Italian Renaissance having studied Renaissance art and architecture abroad in Italy in 2010.

*Favorite Quote: "If we are not fully ourselves, truly in the present moment, we miss everything."*

## Making It Count

Pictured above are **Dani Martin** of Newalla, Okla., and her dog, **Daisy**.

When **Dani Martin** ('17) got the news about her dog, **Daisy**, she wanted to make every day count. See how OSU's Veterinary Medical Hospital helped Dani and Daisy in [Making It Count](#).

### Editor's Note

The next issue of *Net Vet Weekly* will be published Monday, July 11, 2016.
