

Dr. Rudd Presents as NW Classen Career Day

Jennifer Rudd, DVM, recently traveled to Northwest Classen High School in Oklahoma City to participate in their Academy of Health Sciences Career Day 2017. Rudd ('12) presented "Opportunities in Veterinary Biomedical Sciences" to approximately 75 high school students.

Several students expressed an interest in veterinary medicine. Learn more about how you can provide support or host an intern for the Academy ([full article](#)).

Auction Items Needed

The veterinary center is accepting donated items for the silent auction to be held during Open House on Saturday, April 1. All proceeds benefit the Wildlife Fund.

The Wildlife Fund is used to cover the costs of veterinary medical treatment of wildlife brought to the OSU Veterinary Medical Hospital. The hospital's Avian, Exotic and Zoological Medicine Service treats about 500 wild animals each year and depends on donations to cover the cost of treatment.

To donate an item for the auction, please contact **Sharon Worrell** at 405-744-5630 or sworrel@okstate.edu.
