Register to attend the OSU/OVMA Summer Seminar on Friday and Saturday, June 17 and 18. See full details and online registration information at [OSU OVMA Summer Seminar](#).

Severe Weather Preparedness

It's severe weather season in Oklahoma and some other parts of the country. Please remember to include provisions for your pets when making your family emergency response plans. Here are some tips to help you be [severe weather prepared](#).

Heartworm Disease Prevention

Heartworm disease affects dogs, cats and ferrets. It is a disease that doesn't have a season--pets need protection all year long.

Here is some important information about heartworm disease and what pet owners can do to help protect their animals - [read more](#).

Editor's Note

The next issue of *Net Vet Weekly* will be published on Tuesday, May 31, 2016.

Eric Wynn Jones, PhD, MRCVS, FRCVS, 91 of Starkville, Miss., passed away on April 8, 2016. He joined the clinical faculty at OSU in the early years of the veterinary college and was named director of clinical research in 1964. In 1977 he left to serve as the vice dean of the new veterinary college at Mississippi State University until he retired.

His accolades are many including developing the first suitable anesthetic machine for large animals, co-authoring the original textbook on veterinary anesthesia and analgesia, and being named a charter Diplomate of the American College of Veterinary Surgeons. The full obituary is available at [Dr Eric Wynn Jones](#).

Have a Safe and Happy Memorial Day Weekend!
