

Class of 1960 Reunion

Eight members of the **Class of 1960**, one widow of a classmate and several spouses recently returned to Stillwater to celebrate their 56th year reunion. Attendees enjoyed touring the veterinary center and visiting with Emeriti faculty including **Dr. Roger Panciera**.

Front row (left to right): **Drs. Charles Heaton, Harry James, David Haviland and Cyril Brown**. Back row (left to right): **Drs. James Shmidl, William Carter, Larry Major and Billy White**.

The class is responsible for three endowments that support the veterinary center. They try to get together every two years. Special thanks to **Sharon Worrell**, alumni affairs specialist, for arranging a great reunion!

Toxins in Oklahoma

Are you familiar with the top toxins in Oklahoma? Here are some interesting facts on [toxins](#) in Oklahoma and around the country.

Oklahoma Reptiles

Oklahoma ranks third in diversity of reptiles following the states of Texas and Florida. Read more about [Oklahoma's reptiles](#).
