The Role of the Veterinarian

As many of you know, the role of a veterinarian is a very diverse one. The CVM recently shared an article written by Drs. Jerry Ritchey and Jennifer Rudd to help the general public more clearly understand all a veterinarian does. Read the full article at What is the Role of a Veterinarian?

Producers Asked to Participate in OSU Research Survey

The USDA NASS is distributing a survey to better determine biosecurity practices. Producers are randomly selected to receive a survey in the mail and strongly encouraged to complete it and return it as directed in the mailing.

If you or someone you know is a cow-calf producer and receives the survey, please complete the survey and return it as directed. Read more at Biosecurity Survey to Benefit Cow-Calf Production.
