

Net Vet Weekly - January 27, 2020

January Employees of the Month

Jake

Carey

Mady

Congratulations to the January 2020 College of Veterinary Medicine Employees of the Month!

- **Jake Manley**, computer technician in McElroy Hall, was recognized for being prompt, professional and a huge help in setting up new computers and printers. He is also known for his ability to resolve computer issues.
- **Carey McCully, RVT, VTS (Ophthalmology)**, was nominated for being an outstanding supervisor and ophthalmology technician at the Veterinary Medical Teaching Hospital. She has taken her new role as reception supervisor/coordinator in stride and the entire hospital is seeing the benefits.
- **Mady Werner**, diagnostic technician at the Oklahoma Animal Disease Diagnostic Laboratory, was recognized for always being willing to do whatever is asked of her no matter how bad the job. She is great to work with and goes above

Prostate in Dogs

Dr. Candace Lyman, assistant professor of theriogenology, talks about treating prostate problems in dogs. Read more at [Prostate in Dogs](#).

House Officer Seminar

Adam Bassett, DVM, will present "The Past, Present, and Future of Assisted Reproductive Technologies" on Thursday, Jan. 30, at 8 a.m. in Room 002C at the Veterinary Medical Hospital. Dr. Bassett is a theriogenology resident mentored by **Dr. Reed Holyoak**.

Valentine Mugs Available

SAVMA Delegates are selling "Be My Valentine" campfire mug gift baskets to raise money to send OSU veterinary students to the 2020 SAVMA Symposium in Ithaca, NY.

These are great gifts for your favorite veterinary student who's here studying hard, your favorite co-worker, or your favorite veterinarian!

Each basket costs \$25 and includes two big candy bars, Keurig coffee pod, muddy buddies Chex mix, a pack of gum, heart shaped candy tube, fun dip, a campfire mug and

and beyond the expectations of OADDL.

You can nominate a faculty or staff member by filling out an [Employee of the Month Form](#).

Progress on the Roger J. Panciera Education Center

Dean Dr. Carlos Risco and **Jim Hargrave**, facilities manager, recently toured the Roger J. Panciera Education Center. Most brick work is completed. Interior sheetrock is nearly completed and work is underway on interior finishes and exterior grounds.

emergen-c vitamin powder to add to a water bottle.

Get your order in now as sales will close on Wednesday, Feb. 12, at midnight.

To order your gift today and pay, visit [Be My Valentine](#).
