January Employees of the Month

Congratulations to the 2022 January Employees of the Month:

• **Geena McLean** is a veterinary technician at the Veterinary Medical Teaching Hospital. Working on the emergency critical care team, Geena shares her knowledge with students and interns. Her positive attitude and calmness help her meet each challenge she faces. And she does it all with a smile.

• **Carey Warner** is an administrative associate in the business office of the Dean's Office in McElroy Hall. A true professional, Carey is willing to help anyone. If she doesn't know the answer to a question, she will work tirelessly to find it. Her dedication to doing the best job possible is deserving of this recognition.

Summer Research Training Program

What are you doing this summer? Want to get paid WHILE learning amazing research? Join us for an informative session on the **Summer Research Training Program** and how to navigate the application process on Tuesday, Feb. 1, at 12 p.m. in Room 101 McElroy Hall Auditorium. Lunch will be provided.

House Officer Seminar

Laura May, DVM, will present "Emerging Diseases in Food Animal Medicine" on Thursday, Feb. 3, at 8 a.m. in Room 002C at the Veterinary Medical Teaching Hospital. Dr. May is a food animal medicine and surgery resident mentored by Dr. John Gilliam.

The recorded lecture will be available on Moodle in the course VBSC 6710.

Attention All CVM Faculty, Staff and Students!

Do you know how to develop your EQ? Join us on Monday, Feb. 7, at 12 p.m. in Room 002C at the Veterinary
**Dr. Craig Miller on Herd Immunity**

Dr. Craig Miller, assistant professor in the Department of Veterinary Pathobiology and director of the OCRID Immunopathology Core Laboratory, recently spoke with KTUL television station in Tulsa about COVID-19. Listen to the interview at Dr. Craig Miller on Herd Immunity.

**Producers Asked to Participate in OSU Research Survey**

The USDA NASS is distributing a survey to better determine biosecurity practices. Producers are randomly selected to receive a survey in the mail and strongly encouraged to complete it and return it as directed in the mailing.

If you or someone you know is a cow-calf producer and receives the survey, please complete the survey and return it as directed. Read more at Biosecurity Survey to Benefit Cow-Calf Production.

**House Officer Seminar**

Jessica Rutledge, BVetMed, MRCVS, will present "Rhodococcus in Foals" on Thursday, Feb. 10, at 8 a.m. in Room 002C at the Veterinary Medical Teaching Hospital. Dr. Rutledge is an equine internal medicine resident mentored by Dr. Lyndi Gilliam.

The recorded lecture will be available on Moodle in the course VBSC 6710.

**Attention Classes of 2016 and 2020**

You are invited to participate in a 10 minute survey to help the CVM evaluate the effectiveness of our program. Your feedback about your experiences in the DVM program are important. All responses will be kept confidential. For questions, please contact Brandon Raczkoski, Ph.D., at brandon.raczkoski@okstate.edu or (405) 744-5732. Take the survey now at Alumni Survey.

**Veterinarian Needed to Provide Dental Care**

The Veterinary Teaching Hospital is looking for a primary care veterinarian to assist in providing dental services to our patients and teaching veterinary students skills of small animal dentistry.

Read more and apply at Veterinarian Needed for Small Animal Dental Care.

**Editor's Note**
Hiring Equine Faculty

The Department of Veterinary Clinical Sciences is seeking applications for one full-time clinical track or tenure track faculty position. Read more and apply at Seeking Equine Internal Medicine Faculty Member.

The next issue of Net Vet Weekly will be distributed on Monday, Feb. 14, 2022.
