

AAEP Challenge Correction

Our sincerest apologies for previously incorrectly reporting on the AAEP Challenge.

OSU came in first place because we had the highest number of alumni, who were attending the AAEP 64th Annual Convention, make a gift to the AAEP Foundation. Thirty-one OSU Vet Med alumni gave a total of \$6,071!

Because we had the highest participation rate among alumni groups attending the Convention, OSU won first place, which is a \$750 grant payable to the Oklahoma State University AAEP Student Chapter. Way to go OSU alumni!

Recruitment News

The CVHS recently participated in the 8th Grade Discovery Day held at Meridian Technology Center.

This hands-on learning event gave 8th grade students an opportunity to explore career possibilities and interact with area business leaders.

The CVHS had a variety of preserved animal eggs, vertebrae, and animal skull bones on display including one from a two-headed calf.
