

National Veterinary Technician Week

National Veterinary Technician Week is October 14 - 20. This week we celebrate our **Registered Veterinary Technicians** and **Veterinary Assistants**! No veterinary hospital would be successful without these valuable team members.

Special events will be taking place all week. We are extremely grateful to the following major sponsors:

- **Boehringer-Ingelheim**
- **Chick-Fil-A of Stillwater**
- **Hill's**
- **Merck**
- **Purina**
- **Royal Canin**

Read more at [National Veterinary Technician Week](#).

In Memory of Dr. Kristen Ward

A very special thank you to **Mr. Mark Carter**, husband of **Dr. Kim Carter** and owner of **MClron**, and **Jesse Jenny** ('19) for using their artistic talents to create this loving tribute to the late **Dr. Kristen Ward** ('16). The artwork hangs above a bench in the

Meet 'n Greet in Texas

Join **Dr. Carlos Risco**, dean, and CVHS alumni and friends on Tuesday, Oct. 16, from 6:30 p.m. to 8:30 p.m.

Hosted by **Dr. Craig** ('89) and **Stephanie Jones** in Godley, Texas, the evening promises to be fun with a chuckwagon supper and live music.

Dunk a Doc

To celebrate National Veterinary Technician Week, come 'Dunk a Doc' on Wednesday, Oct. 17, from 4 p.m. to 6 p.m. A \$3 donation gets you three tries to dunk one of eight clinicians and administrators. All proceeds go to the OSU Veterinary Medical Hospital Pay It Forward Fund. This fund supports treatment and procedures that are considered curative for owned and stray animals visiting the Hospital.

House Officer Seminar

Hugh Duddy, DVM, will present "Low-Level Laser Therapy" on Thursday, Oct. 18, at 8 a.m. in Room 104 at the Veterinary Medical Hospital. Duddy is an equine surgery resident mentored by **Dr. Daniel Burba**.

Veterinary Biomedical Sciences Seminar

Zhilong Yang, PhD, will present "Going Against the Tide: Selective Protein Synthesis During Vaccinia Virus-Induced Host Shutoff" on Thursday, Oct. 18, at 3 p.m. in Room 259 McElroy Hall. Yang is an assistant professor in the Division of Biology at Kansas State University.

3 MT® Competition

Please mark your calendar to attend this year's **3 Minute Thesis Competition** on Thursday, Oct. 25, at 3 p.m. in Room 259 McElroy Hall. The competition allows our graduate students an opportunity to tell their research story to a public audience in three minutes using only one slide. They can also earn cash prizes.

courtyard just outside the Hospital's small animal reception area.

Our veterinary graduate students have won the traveling trophy for highest participation two years running and are going for their third. Please plan to come and support them.
