

3 Minute Thesis Competition Results

Congratulations to all participants in this year's 3 Minute Thesis Competition! The winners are **Allison Campolo** (1st), **Kalyani Ektate** (2nd and People's Choice) and **Roshini Sathiaseelen** (3rd). Allison will go on to represent the veterinary center in the campus-wide OSU competition. Please take a few minutes to watch the top three participants explain their amazing research in less than three minutes each at [3MT® Results](#).

Aaaaand They're Off!

Here's a glimpse into the impressive career of one of our alumni, **Dr. Bob Story** ('83), who spent 30 years as a racetrack veterinarian at Ruidoso Downs. He talks about his career and the talented equine athletes he treated in [See You at the Races](#).

Getting to Know You

Madhan Subramanian, BVSc, PhD, is an assistant professor of Anatomy in the Department of Physiological Sciences. Originally from Karur, Tamilnadu in India, he earned his BVSc from Madras Veterinary College in Chennai, India. He went on to earn a PhD from Michigan State University. Subramanian's research interests include understanding the molecular and cellular

Oklahoma Center for Respiratory and Infectious Diseases Seminar

Derek Pociask, PhD, will present "IL-22: A therapeutic cytokine for the amelioration of influenza induced lung injury" on Wednesday, Oct. 18, at 12:15 p.m. in Room 259 McElroy Hall. Pociask is an assistant professor in the Division of Pulmonary Critical Care and Environmental Medicine in the Department of Medicine at Tulane Health Sciences Center.

House Officer Seminar

Veterinary Biomedical Sciences Seminar

Daniel Moen, PhD, will present "Understanding the Evolution of Frog Body Form Through Its Relationship to Functional Performance" on Thursday, Oct. 19, at 4 p.m. in Room 259 McElroy Hall. Moen is an assistant professor in the Department of Integrative Biology here at OSU.

Alumni Society Annual Meeting

Attention Vet Med Alumni - if you are unable to attend the **Alumni Society Annual Meeting** in person, please feel free to remotely access the meeting. Call 1-800-308-9694 and when prompted, enter the code 958427. The meeting begins at 7 a.m. on Thursday, Nov. 9, in the Point Four Dining Room at Wes Watkins Center. A light breakfast will be served.

Auction Items Needed

Veterinary students are collecting auction items for the **SCAVMA Auction** to be held on Thursday, Nov. 9, during the Corral Crawl at Wes Watkins Center. The auction will be open at 6:30 p.m. for your shopping pleasure. If you would like to donate to the SCAVMA Auction, please contact **Sharon Worrell**,

mechanisms involved in the central regulation of blood pressure.

In between earning his BVSc and PhD, he had the opportunity to work as a research assistant in a beautiful small town called Gwangju in South Korea. In his spare time, Madhan enjoys playing basketball and running.
