

Net Vet Weekly - October 26, 2020

COVID-19 News

The Veterinary Medical Hospital is now accepting appointments for non-emergency cases. Curbside admission and discharge protocols, social distancing and proper PPE remain in place.

Online CE is available. For a list of all courses available, the cost, and where to register visit [Online Professional Development](#).

All COVID-19 related information can be viewed in detail on the College of Veterinary Medicine website at [COVID-19 Updates](#).

Congratulations to 3MT Participants!

Congratulations to the following Comparative Biomedical Sciences graduate students for representing our college in the Virtual 3 Minute Thesis Competition this year:

Top 21: **Matthew Rochowski**, MS student mentored by **Dr. Veronique Lacombe**, for "Captain Diabetes, aka Protein Disulfide Isomerase."

Among the 12 Finalists:

- **Eva Kao**, MS student mentored by **Dr. Craig Miller**, for "A New Therapy to Improve Survival of Cats with Acute Cytauxzoonosis."
- **Mego Terhuja**, Ph.D. student mentored by **Dr. Tom Oomens**,

We're Growing!

The Department of Veterinary Clinical Sciences seeks a second enthusiastic **emergency small animal clinician**. Interested parties can read more at [Join Our Team in Emergency and Critical Care](#).

We are also adding a second house officer in the Zoological Medicine Service. We have an open **zoological medicine internship** position through July 2021. Interested parties can read more at [Zoological Medicine Intern](#).

The hospital seeks **two small animal emergency and critical care specialists**. These positions are new to the college and offer great opportunities for someone who is passionate about teaching and providing the highest standard of care. Read more at [Two Small Animal Emergency and Critical Care Specialists](#).

House Officer Seminar

Adam Bassett, DVM, will present "The Queen Is In!" on Thursday, Oct. 29, at 8 a.m. in Room 002C at the Veterinary Medical Hospital. Dr. Bassett is a theriogenology resident mentored by **Dr. Reed Holyoak**. The recorded lecture will be available on Moodle in the course VBSC 6710.

for "Virus Like Particle (VLP): A vaccine against RSV."

Watch for a link to view the 12 finalists' video presentations to vote for the People's Choice Award. A panel of judges will determine 1st, 2nd, and 3rd place presentations. Best of luck to all!

Pre-Purchase Exam

If you are considering buying a horse, **Dr. Mike Schoonover** strongly recommends having a pre-purchase examination performed before you exchange any money. Read more at [The Value of the Pre-Purchase Examination](#).

Fall Conference

There is still time to register for our virtual Fall Conference on Wednesday - Friday, Nov. 4 - 6, 2020.

Multimin is offering a pre-conference CE session on Thursday, Nov. 5, from 8 a.m. to 9 a.m. **Dr. Craig Louder** will present "Trace Minerals in Cattle Reproduction and Immune Function." Advanced registration is required.

Job announcements are now available on the Fall Conference website. See the fantastic positions available or place an order to advertise a job at your clinic.

Register now at [Fall Conference 2020](#). Current OSU veterinary students, staff and faculty do not need to register as a separate link will be sent to you later.
