News from the ACVS Surgery Summit

3MT Competition

The College of Veterinary Medicine Three Minute Thesis Competition will be held on Friday, Nov. 1, at 3 p.m. in Room 259 McElroy Hall.

Graduate students have only three minutes to describe their research to a general audience using just one slide. Cash prizes are available - \$300, \$200, and \$100 for first, second, and third respectively and \$300 for the People's Choice Award.

The first place winner will compete at the university's 3MT Competition which is Tuesday, Nov. 19, at 3 p.m. in the Student Union Little Theater. Come and cheer on our graduate students!

Register for Fall Conference

Online registration is open until Friday, Nov. 1, for our **Fall Veterinary Conference**.

The conference will be held on Thursday and Friday, Nov. 14 and 15, at Wes Watkins Center on the OSU Stillwater campus. Veterinarians and veterinary technicians are welcome in all tracks. Register now at [Fall Conference](#).

Drs. Michael Davis and Mike Schoonover recently presented at the American College of Veterinary Surgeons Surgery Summit held in Las Vegas.

Dr. Davis gave the keynote presentation for the American College of Veterinary Sports Medicine and Rehabilitation program, "From Deserts to Mountaintops: Exercise in Extreme Environments." He also presented "Exercise-Induced Gastritis in Working Dogs" and "Ski Asthma and Respiratory Immune Function in Horses." At the meeting, Davis began his reign as president of the ACVSMR.

Dr. Schoonover presented "The Use of Bisphosphonates in Equine Sports Medicine" and "Bovine Sports Medicine."

Dr. Jenna Young, former equine surgery resident, presented her research, "Effect of oral gabapentin on lameness attributed to chronic conditions of the forelimbs of horses." Young completed this research during her residency at OSU.

OSU Receives USDA Veterinary Services Grant

Congratulations to **Drs. Rosslyn Biggs and John Gilliam** on leading a new research project funded by a U.S. Department of Agriculture National Institute of Food and Agriculture Veterinary Services Grant! The funds will be used to create an Integrated Beef Cattle Program for Veterinarians.
