

Net Vet Weekly - October 5, 2020

COVID-19 News

The Veterinary Medical Hospital is now accepting appointments for non-emergency cases. Curbside admission and discharge protocols, social distancing and proper PPE remain in place.

Online CE is available. For a list of all courses available, the cost, and where to register visit [Online Professional Development](#).

All COVID-19 related information can be viewed in detail on the College of Veterinary Medicine website at [COVID-19 Updates](#).

Vet Med Faces of Research: Dr. Meredyth Jones

This month's Vet Med Faces of Research segment features **Dr. Meredyth Jones**. A food animal medicine and surgery specialist, Jones talks about her current research focusing on deep digital sepsis. Read the full story and watch a short video at [Vet Med Faces of Research: Dr. Meredyth Jones](#).

Every Cowboy has a Story to Tell

Every OSU Cowboy has a story to tell and the OSU Alumni Association wants to hear yours!

Join Our Team!

The Department of Veterinary Clinical Sciences seeks a second enthusiastic **emergency small animal clinician**. Interested parties can read more at [join our team in emergency and critical care](#).

We are also adding a second house officer in the Zoological Medicine Service. We have an open **zoological medicine internship** position through July 2021. Interested parties can read more at [Zoological Medicine Intern](#).

The hospital seeks **two small animal emergency and critical care clinicians**. These positions are new to the college and offer great opportunities for someone who is passionate about teaching and providing the highest standard of care. Read more at [Two Small Animal Emergency and Critical Care Clinicians](#).

Ranchers Thursday Lunchtime Series

Join our free series on cattle health this Thursday, Oct. 8, at 12:30 p.m. **Dr. Rosslyn Biggs** will present "Effective Veterinary-Client-Patient Relationships." To register and receive the link, please visit [Ranchers Thursday Lunchtime Series](#).

The new Proud & Immortal Oral History Project provides an opportunity where you can memorialize your OSU experience in your own words today.

Alumni are not required to purchase anything to participate in the storytelling process.

Highlighted stories will be used to create a one-of-a-kind coffee table book and accompanying online story vault that will be available for purchase with the project.

Learn more about the [Proud & Immortal Oral History Project](#) and how you can participate.

Of course, if you are not a member of the OSU Alumni Association, please consider joining. A portion of your dues directly benefits the College of Veterinary Medicine. You can join now at [OSU Alumni Association Membership](#).

House Officer Seminar

There is no House Officer Seminar scheduled for Thursday, Oct. 8.

Take the Survey

Veterinarians, cattle producers and veterinary students are encouraged to take the Integrated Beef Cattle Program for Veterinarians Survey before Oct. 15, 2020. The data collected will help drive the next steps of the Integrated Beef Cattle Program for Veterinarians. Please take a moment now to take the survey at [Integrated Beef Cattle Program Survey](#).

2nd Free Equine Castration Clinic

We will host a second free equine castration clinic on Friday, Oct. 16. There are two spots left. Register at [Free Equine Castration Clinic](#).

Fall Conference

With the ongoing pandemic, Fall Conference will be virtual. Participate from the comfort of your home or office Wednesday - Friday, Nov. 4 - 6, 2020. Register now at [Fall Conference 2020](#). Current OSU veterinary students, staff and faculty do not need to register as a separate link will be sent to you later.
