

Congratulations, Dr. McGill!

Congratulations to **Lawrence D. McGill, BS, DVM, PhD, DACVP**, on being named a 2017 Distinguished Alumnus of the veterinary center.

McGill ('68) will be honored during the Distinguished Alumni Award Luncheon on Friday, Nov. 10. Read more at [McGill to be Honored](#).

News from SAVMA President

Here is an update from **Jeff Olivarez ('18)** as he leads the Student American Veterinary Medical Association as its president. Read [Olivarez Leads](#) for details on his impact on the veterinary medical profession.

Conference Proceedings

Drs. Joao Brandao and **Lara Sypniewski** along with **Ian Kanda, RVT**, and **Crystal Matt ('19)** recently presented the following information at the Association of Exotic Mammal Veterinarians and Association of Reptilian and Amphibian Veterinarians Conference held in Dallas, Texas.

The last proceeding listed is the result of a collaboration between OSU, the Oklahoma City Zoo and Idexx, a commercial laboratory, and was made at the American Association of Zoo Veterinarians Conference also held in Dallas.

- **Kanda I**: Review of Intravenous Access in Reptiles and Amphibians, pp 6-11, 2017.
- **Brandao J, Sypniewski L, Kanda I, Holland L, Hanzlicek A**: Dynamic Viscoelastic Coagulometry (Sonoclot®) in New Zealand White Rabbits: Effects of Sodium Citrate and Resting Temperature, p. 56, 2017.
- **Sypniewski L, Maxwell LK, Moody D, Breshears M, Ritchey J, Kanda I, Jackson T, Curtis R, Murray JK, Sayre R, Brandao J**: Pharmacokinetic Evaluation of Sustained-Release Buprenorphine in the Domestic Rabbit, p. 256, 2017.
- **Salazar RS, Brandao J, Breshears M, Ritchey J, Payton M, McCann R, Kanda I, Sypniewski L**: Anesthesia Using Des

Science Cafe

Dr. Kim Carter, clinical assistant professor of shelter medicine and surgery, **Juli Alan, RVT**, and **Stephanie Kline**, graduate student, will present at the Science Cafe on Tuesday, Oct. 10, at 6:30 p.m. in the Peggy V. Helmerich Browsing Room at Edmon Low Library. The topic of discussion will be "Feral Cats and Operation Catnip." For full details, visit [Science Cafe](#).

House Officer Seminar

Kristen Clark, DVM, will present "Hypercoagulability" on Thursday, Oct. 12, at 8 a.m. in Room 104 at the Veterinary Medical Hospital. Clark is a small animal internal medicine resident mentored by **Dr. Andrew Hanzlicek**.

Veterinary Biomedical Sciences Seminar

Laximan Sawant will present "Combination Effects of the Glucocorticoid Receptor and Kruppel-like Transcription Factor 15 on Bovine Herpesvirus 1 Transcription and Productive Infection" on Thursday, Oct. 12, at 4 p.m. in Room 259 McElroy Hall. Sawant is a PhD student and graduate teaching associate in the Department of Veterinary Pathobiology mentored by **Dr. Clint Jones**.

Sea of Orange Homecoming Parade

Join us as we celebrate "Herald Your Fame" at the **Sea of Orange Homecoming Parade** on Saturday, Oct. 14. Staging location for the 1953 Museum on Wheels, the 6th Annual Scottie Brigade, Pete's Pet Posse and all faculty, staff and students who wish to join us is Entry # 40 at 11th and Main Streets facing toward Lewis for entry to the parade route. Arrive no later than 8 a.m. All animals/breeds are welcome on a leash or halter and must be current on vaccinations. Contact **Sharon Worrell**, alumni affairs and events coordinator, to register your participation at sworrel@okstate.edu or 405-744-5630.

Urine and Epidural Distribution of New Methylene Blue in New Zealand White Rabbits Using a Standardized Epidural Volume Calculation, p. 251, 2017.

- **Matt C, Sypniewski L, Kanda I, Payton M, Brandao J:** Evaluation of Portable Blood Glucometers and the Effect of Venipuncture Sites in New Zealand White Rabbits (*Oryctolagus cuniculus*), pp. 58-9, 2017.
- **Waugh L, Lyon S, Cole G, D'Agostino J, Cross J, Strong-Townsend M, Yerramilli M, Li J, Rakitin A, Hardy S, Brandao J:** Retrospective Analysis of Serum Symmetric Dimethylarginine (SDMA) Concentrations in Cheetahs (*Acinonyx jubatus*) with Kidney Disease, pp. 87-8, 2017.

New Diplomates Announced

Congratulations to new Diplomates of the American College of Veterinary Pathologists!

Alix Dieterly, DVM, DACVP (Anatomic Pathology) and **Sunao Fujita, DVM, DACVP** (Clinical Pathology) recently passed their boards. Both received their respective pathology training here at the veterinary center.

Dieterly is currently pursuing a PhD at Purdue University while Fujita has returned home to Japan to continue his career.

In addition, CVHS graduates **Loni Schumacher, DVM, DACVP** ('11), and **Quinci (Layman) Plumlee, DVM, DACVP** ('14), also passed the certification examination. Schumacher completed a residency at Kansas State while Plumlee completed hers at Texas A&M.

Kudos to all the pathology folks who were involved in this achievement.

Fall Conference News

Pre-registered attendees will receive email notification when your parking pass is mailed.

Agenda/session registration can be updated online through Sunday, Nov. 5. CE transcripts are generated by your pre-selected agenda and can be modified at [Fall Conference Registrant Login](#).

Two **wet labs** are being offered for an additional fee. Limited seating is available; you must pre-register.

- Companion Animal Cytology in McElroy Hall with **Dr. Jim Meinkoth**
- Food Animal Liver Biopsy at the Veterinary Medical Hospital with **Dr. Robert Gentry** of Multimin

Sunrise CE will be offered on both days starting at 6:30 a.m. These food animal topics include breakfast and are free of charge. However, you must pre-register as space is limited:

- Management of High Sulfur Diets and Other Antagonists with Injectable Trace Minerals on Thursday
- Infectious Bovine Keratoconjunctivitis: Pinkeye Update on Friday

Hire a New Grad session will be held with current fourth year veterinary students on Thursday, Nov. 9, at 5 p.m. This fast-paced networking session costs only \$10 to cover refreshments. CE is not available for this session and you must pre-register.
