

Net Vet Weekly - November 11, 2019

Veterans Day Remembrance

Join us today, Nov. 11, at 11:30 a.m. in the McElroy Hall Auditorium as we remember all military personnel and especially our military veterinarians. **Mark Bohannon, DVM, MPHTM, DACVPM ('88)** and U.S. Army veteran, will present "Thoughts on Veterans Day."

Today, flying in our Military Veterinarian Honor Court is a special flag that was inside a drone during a combat mission in Iraq on May 11, 2017. **Dr. Jerry Ritchey's son, CPT Caleb W. Ritchey**, gave the flag to Emeritus Regents Professor and U.S. Air Force veteran **Dr. Anthony Confer** who donated it to the veterinary college. We thank them for providing this flag in honor of those who serve.

Narayanan Earns Award

Congratulations to **Sai Narayanan** on receiving the 2019 Training Travel Award to attend the American Association of Veterinary Laboratory Diagnosticians held recently in Providence, Rhode Island. His poster presentation, "A

India Students Complete Externship

The seven veterinary exchange students here from India successfully completed their externship. Each received a certificate during Friday's Grand Rounds. We hope they enjoyed learning about veterinary medicine here at OSU as much as we enjoyed hosting them.

Pictured above (left to right, front row) are: **Radish Selvaraj, Dhaarani Gajendiran, Salma Begum Mubarakali, and Aparna Gopinadhan**; (left to right, back row) are: **Patil Basavaraju Nanjegowdu, Dr. Lionel Dawson** (veterinary clinical sciences), **Melinda Tharp** (dean's office), **Shankar Ramasamy, and Jessil Joseph**.

Watch for more information about our exchange program in a future issue of *Net Vet Weekly*.

Novel Metagenome based *In-silico* Diagnostic Technique" was awarded the J. Lindsay Oaks Award, Best Student Molecular Biology Presentation Award!

Narayanan is a PhD student in the veterinary pathobiology department mentored by **Dr. Akhilesh Ramachandran**.

Vet Med Faces of Research

Clinton Jones, PhD, is featured in this month's Vet Med Faces of Research. A Regents Professor and the Sitlington Professor of Infectious Diseases, Jones shares his work on two herpes viruses affecting animals and humans. For the full story and a short video, visit [Vet Med Faces of Research with Dr. Clinton Jones](#).

Bandaging the Lower Leg

Megan Williams, DVM, DACVS (LA), demonstrates how to bandage the lower leg of a horse in this short video. Learn the supplies and technique you need to safely apply bandages at [Bandaging the Lower Leg](#).

Publication

Santilli RA, Grego E, Battaia S, Gianella P, Tursi M, Di Girolamo N, Biasato I, Perego M.

Prevalence of selected cardiotropic pathogens in the myocardium of adult dogs with unexplained myocardial and rhythm disorders or with congenital heart disease. J Am Vet Med Assoc. 2019 Nov 15; 255(10):1150-1160. doi: 10.2460/jamva.255.10.1150.

Canine Urinary Incontinence

Does your dog have problems with urinary incontinence or do your clients own dogs with this problem? **Shane Lyon, DVM, MS, DACVIM (SAIM)**, associate professor of small animal internal medicine, discusses the issue at [Treating Canine Urinary Incontinence](#).

Attention CVM Class Representatives

College of Veterinary Medicine class representatives will meet on Wednesday, Nov. 13, at 6 p.m. in the Alumni Conference Room 115 in McElroy Hall.

This meeting is in addition to the CVM Alumni Society Annual Meeting which will be held on Thursday, Nov. 14, at 7 a.m. in the Point Four Room at Wes Watkins Center.

Fall Conference Update

Attendees can register on-site for our Annual Fall Conference on Thursday and Friday, Nov. 14 and 15, at Wes Watkins Center on the OSU Stillwater campus. Registration opens at 7 a.m. both days.

Ticket sales for the Corral Crawl (Thursday evening at the ConocoPhillips OSU Alumni Center) and the Distinguished Alumni Award Luncheon (Friday in Room 101 Wes Watkins Center) are now closed.
