Hospital Earns Re-Accreditation!

Congratulations to our hospital faculty, staff and students! For the 38th year in a row, OSU’s Veterinary Medical Teaching Hospital has been awarded accreditation by the American Animal Hospital Association.

AAHA accreditation is a distinction that only 12 percent of veterinary hospitals achieve. Our clients can rest assured that their beloved pets are receiving excellent care!

Homecoming Parade

Thank you to the 50+ people who joined the CVM in the Sea of Orange Centennial Homecoming Parade!

The 9th Annual Scottie Brigade, faculty, staff, students and Pete’s Pet Posse members walked as the 1953 Museum on Wheels, piloted by Drs. Billy Clay and Bob Bahr ('70), led the group.

Vet Med Faces of Research: Dr. Mayara Maggioli

In this month’s segment of Vet Med Faces of Research, we hear from Mayara Maggioli, DVM, MS, Ph.D., research scientist in the Department of Veterinary Pathobiology. Maggioli talks about her study of viruses and why she enjoys research. Read more and watch a short video at Vet Med Faces of Research: Dr. Mayara Maggioli.

House Officer Seminar

Adam Bassett, DVM, will present "Oh my oh! Could this be a pyo?" on Thursday, Nov. 11, at 8 a.m. in Room 002C at the Veterinary Medical Teaching Hospital. Dr. Bassett is a theriogenology resident mentored by Dr. Reed Holyoak.

The recorded lecture will be available on Moodle in the course VBSC 6710.
Getting to Know You

Sudhakar Jha, Ph.D., is an associate professor in the Department of Physiological Sciences. Originally from Raiyam, Bihar, India, he earned his Ph.D. from the Jawaharlal Nehru University in New Delhi, India, and completed his post-doctoral training at the University of Virginia. Jha's research focuses on understanding the regulation of chromatin-remodeling complexes and their role in tumorigenesis. Specifically, he studies virus-induced cancers, breast, colorectal and blood cancers. Before joining OSU, Jha was the principal investigator at the Cancer Science Institute of Singapore.

In his spare time, Sudhakar enjoys reading and sports (badminton, squash and soccer).

Favorite Quote: "The art and science of asking questions is the source of all knowledge." - Thomas Berger

Veterans Day Observance

Join us on Thursday, Nov. 11, at 12 p.m. in Room 101 McElroy Hall Auditorium to remember our veterans. Dr. Jerry Ritchey, professor in the Department of Veterinary Pathobiology, will present "My Search for a Hero." The ceremony will conclude at approximately 12:30 p.m.

Rancher's Thursday Lunchtime Series

Join OSU's Beef Cattle Extension Team, experienced ranchers and scientists to learn and share beef cattle production, management and marketing tips.

On Thursday, Nov. 11, at 12 p.m. Marty New will present "Feeding Programs with Long Stem Hay and Supplements" and Britt Hicks will present "Standard High Roughage TMR Feeding Programs."

Register to receive the Zoom link at Rancher's Lunchtime Series.

Wetlab to Feature Clinical Nutritionist

The Society for Veterinary Nutrition and the Small Animal General Practitioners Club will host a wetlab and virtual seminar on Saturday, Nov. 13, at 9 a.m.

Dr. Geraldine Blanchard, a clinical nutrition specialist, will talk about home cooked diet formulation and preparation. Blanchard's website lists tailor-made, well balanced, and professionally formulated home cooked recipes that veterinarians can
When Should You Call the Veterinarian?

Dr. Meredyth Jones offers cattle owners some general rules to help determine if and when an animal needs veterinary attention and when it is an emergency situation.

Read the full article at When Should I Call the Veterinarian?

Anyone can join the virtual seminar at SVN/SAGP Host Nutrition Seminar, Meeting ID: 917 2805 7561 and passcode: 735424.
