

Bovine Palpation Team Needs Assistance

Our Production Animal Medicine Society needs help to send a six-student team to compete in the SAVMA Symposium Bovine Palpation Competition hosted by the University of Georgia on March 9-11, 2019. The team continues to work toward this goal.

For full details and to meet the PAMS officers, please read [Bovine Palpation Team Needs You](#).

Publication

Brown MB, Dugat DR, Lyon SD, Nafe LA, Payton ME, Peakheart SK, Salazar RS. Comparison of methohexital and propofol as induction agents for evaluation of laryngeal function in healthy dogs. *Vet Surg* 2019; 48(1): 70-78.

House Officer Seminars

Emily Guenther, DVM, will present "Where did the protein go? A discussion of protein-losing enteropathy" on Thursday, Feb. 21, at 8 a.m. in Room 104 at the Veterinary Medical Hospital. Guenther is a small animal medicine and surgery intern mentored by **Dr. Laura Nafe**.

Conor Doyle, DVM, will present "Vet BLUE (Veterinary Bedside Lung Ultrasound)" on Thursday, Feb. 21, at 8:30 a.m. in Room 104 at the Veterinary Medical Hospital. Doyle is a small animal medicine and surgery intern mentored by **Dr. Mackenzie Hallman**.

Veterinary Biomedical Sciences Seminar

Kathryn Duncan, DVM, will present "*Dermacentor* species on dogs and cats: geographic and genotypic diversity" on Thursday Feb. 21, at 3 p.m. in Room 259 McElroy Hall. Duncan is a PhD student and graduate teaching associate in the Department of Veterinary Pathobiology mentored by **Dr. Susan Little**.

Immediately following Dr. Duncan in the same room, **Pramila Lamichhane** will present "A novel strategy for generating live attenuated Respiratory Syncytial Virus vaccines with improved efficacy/safety balance." Lamichhane is a PhD student and graduate research associate in the Department of Veterinary Pathobiology mentored by **Dr. Tom Oomens**.

Horse Owners Workshop

OSU's CVHS and Department of Animal Science will host the Horse Owners Workshop on Saturday, March 9, from 8:30 a.m. to 4 p.m. at the Charles and Linda Cline Equine Teaching Center.

The workshop is geared toward the average horse owner providing quality information on equine health, farm management, and safety. Registration closes Feb. 23, 2019. Please share workshop details found at [Horse Owners Workshop](#).
