COVID-19 News
The Veterinary Medical Hospital welcomes your referrals and emergency cases. Social distancing and proper PPE remain in place.

For a list of all CE courses available, the cost, and where to register visit Online Professional Development.

All COVID-19 related information can be viewed in detail on the College of Veterinary Medicine website including updated hospital protocols at COVID-19 Updates.

Davis Embarks on Landmark Study
Thanks to a Grayson-Jockey Club Research Foundation award, Dr. Michael Davis will lead a study of the most extensive examination of skeletal muscle mitochondrial function ever accomplished in any athletic species. Read the full story at Landmark Study of Skeletal Muscle Function.

Q&A with Dr. Risco
NonDoc, operated by the Sustainable Journalism Foundation in Oklahoma, talked with Dean Dr. Carlos Risco about his career, our College of Veterinary Medicine and more. Read the full article at Q&A with Dr. Risco.

INTERACT Corner
This week we hear from Dr. Erika Lutter. Dr. Lutter is an associate professor in the Department of Microbiology and Molecular Genetics in OSU's College of Arts and Sciences.

Her research focuses on host pathogen interactions at mucosal surfaces. Read more and watch a short video at Dr. Erika Lutter on INTERACT.

House Officer Seminar
Jessica Rutledge, BVetMed, MRCVS, will present "Laminitis" on Thursday, March 18, at 8 a.m. in Room 002C at the Veterinary Medical Hospital. Dr. Rutledge is an equine internal medicine resident mentored by Dr. Todd Holbrook. The recorded lecture will be available on Moodle in the course VBSC 6710.

OSU/OVMA Summer Seminar
The OSU/OVMA Summer Seminar will be held on June 18-19, 2021. Online registration will open April 1. For more information, visit vetmed.okstate.edu or follow us on Facebook.
Publication

Got Oak? Be Careful
Dr. Meredyth Jones shares important information for livestock owners on the potential dangers of acorns and oak tree buds, leaves, flowers and stems. Read more at Got Oak?

Bull Fertility
Dr. Rosslyn Biggs discusses why cattle owners should check bull fertility after the recent frigid temperatures we experienced in February. Read the full article at Checking Bull Fertility.

Intern Needed
The CVM is looking for a shelter medicine and surgery intern. Read the details at Shelter Medicine and Surgery Internship/Teaching Assistant.

Getting to Know You
Laura May, DVM, is a food animal medicine and surgery resident. Originally from West Lafayette, Indiana, she earned her DVM degree from Purdue University in 2019.

In her spare time, Laura enjoys exploring new states and countries when the opportunity arises and volunteering at county and state 4-H fairs with family.

Favorite Quote: "As you slide down the banister of life, may the splinters never point the wrong way." - Irish blessing.
