Holbrook to Serve on U.S. Endurance Team

US Equestrian recently announced the 2019-2020 team staff members for U.S. Endurance. **Dr. Todd Holbrook** is one of five members comprising the Veterinary Advisory Group. Read the full story at [Holbrook to Serve on U.S. Endurance Team](#).

Why Shelter Surgery Matters

Our Shelter Surgery Program provides the venue to spay/neuter approximately 3,200 dogs and cats a year. That's a lot of unwanted

House Officer Seminar

Natasha Williams, DVM, will present "Encephalitic Listeriosis in Ruminants" on Thursday, March 21, at 8 a.m. in Room 104 at the Veterinary Medical Hospital.

Dr. Williams is a food animal medicine and surgery resident mentored by **Dr. Melanie Boileau**.

Interdisciplinary Toxicology Symposium

Carey Pope, PhD, Sitlington Chair in Toxicology, will host the Interdisciplinary Toxicology Symposium on Monday, March 25, from 10 a.m. to 5:30 p.m. in Wes Watkins Center on the OSU Stillwater campus.

The Symposium includes a poster presentation for undergraduate and graduate students, interdisciplinary graduate fellows presentations, and three guest speakers.

For full details and to learn more about the day's final presentation, the 19th Annual Sitlington Lecture in Toxicology, visit the [Interdisciplinary Toxicology Symposium](#).

pregnancies prevented. For more details and a short video on the impact this program is having on veterinary students, shelter animals and community shelters, visit [OSU's Shelter Surgery Program: Why It Matters](#).
