

Net Vet Weekly - March 2, 2020

Inspiring Young Minds

Jerry Ritchey, DVM, PhD, DACVP, professor and head of the Department of Veterinary Pathobiology, recently traveled to Edmond, Oklahoma, to demonstrate comparative anatomy to multiple fourth grade science classes at Spring Creek Elementary School.

The presentation was a joint effort between **Dr. Ritchey** and **Dr. Jill Akkerman, Dr. Madhan Subramanian** and **Chris Pivinski**, all with the Department of Physiological Sciences.

Podcast on Sled Dog Research

Just a few months ago, **Michael Davis, DVM, PhD, DACVIM, DACVSMR**, professor in Physiological Sciences Department, was featured at OSU's Research on Tap.

Listen to this podcast from Research on Tap to hear Dr. Davis talk about his metabolic research and how his work helps people and animals at [Inside OSU Podcast: How Sled Dogs Keep Going](#).

In the News Today

If you are able, tune in to KFOR Channel 4 News out of Oklahoma City today, March 2, during the 4:30 p.m. newscast. **Lara Sypniewski, DVM, DABVP**, Henthorne Clinical Professor of Small Animal Medicine and clinical associate professor of small animal community practice, will be featured discussing the use of CBD in dogs and cats.

House Officer Seminar

Sam Bailey, DVM, will present "Hypothyroidism and Hyperthyroidism" on Thursday, March 5, in Room 002C at the Veterinary Medical Hospital. Dr. Bailey is a small animal internal medicine resident mentored by **Dr. Laura Nafe**.

Dr. Sypniewski Featured on Channel 2 News

If you missed **Lara Sypniewski, DVM, DABVP**, on KJRH Channel 2 News out of Tulsa, you can read the story on their website at [Should You Use CBD Oil on Your Pet](#).

Your Opinion Matters

Just a reminder to please complete the *Vet Cetera* readership survey if you have not already done so. You can take this short survey at [Readership Survey](#).

OSTATETV

Grand Rounds

The following presentations will be made during Grand Rounds on Friday, March 6, from 8 a.m. to 9 a.m. in Room 002C at the Veterinary Medical Hospital:

- **Trey Kraft** - Diseases Affecting Honey Bees and Apiary Husbandry
- **Elisa Green** - Mitral Valve Disease in Cavalier King Charles Spaniels
- **Ida Hrbacek** - Cycle Management in the Bitch
