Net Vet Weekly - March 8, 2021

COVID-19 News
The Veterinary Medical Hospital welcomes your referrals and emergency cases. Social distancing and proper PPE remain in place.

For a list of all CE courses available, the cost, and where to register visit Online Professional Development.

All COVID-19 related information can be viewed in detail on the College of Veterinary Medicine website including updated hospital protocols at COVID-19 Updates.

INTERACT Corner
Dr. Kenneth Sewell, OSU vice president for research, shares his insights on INTERACT. Read the full article and watch a short video at Dr. Kenneth Sewell on INTERACT.

If you missed the inaugural INTERACT Eminent Speaker Series with Dr. Philip Dormitzer, Vice President and Chief Scientific Officer of Viral Vaccines with Pfizer, you can watch it at Application of New Vaccine Technologies to the COVID-19 Pandemic.

Vet Med Faces of Research: Dr. Madhan Subramanian
This month's segment of Vet Med Faces of Research features Dr. Madhan Subramanian, assistant professor in the Department of Physiological Sciences. Read the full article and watch a short video about his research on obesity and aging related diseases in Vet Med Faces of Research: Dr. Madhan Subramanian.

Summer Seminar
Summer Seminar will be held on June 18-19, 2021. Online registration will open April 1. For more information, visit vetmed.okstate.edu or follow us on Facebook.

Getting to Know You

Pregnant Mares and Foals
Dr. Reed Holyoak shares tips for horse owners on how to best handle
pregnant mares as foaling time approaches. Read the full story at Pregnant Mares: What Owners Need to Know.

Helping Our Feathered Friends

Thanks to the efforts of our Zoo Medicine team at the Veterinary Medical Hospital, 10 ducks from Theta Pond survived the recent frigid temperatures. Watch their short story at Helping Theta Pond Ducks.

Bracy Receives Scholarship

Congratulations to Mindi Bracy, class of 2023! Bracy received the David A. Schoneweis Scholarship for her interest in swine. She is the second OSU veterinary student in a row to receive this award. Read more at Bracy Receives Scholarship at AASV Annual Meeting.

Free Castration Clinics

Spots are still available for two equine castration clinics being held at the CVM. Register online at March 25 clinic or March 26 clinic.

Andreza Conti-Patara, DVM, MSc, PhD, is an associate professor of Small Animal Emergency and Critical Care in the Department of Veterinary Clinical Sciences. Originally from Sao Paulo, SP, Brazil, she earned her DVM degree from Sao Paulo State University, Botucatu, SP, Brazil, and a master's degree and Ph.D. from the University of Sao Paulo, SP, Brazil. She completed a residency in Small Animal Emergency and Critical Care at Washington State University. Dr. Conti-Patara's research interests include sepsis, trauma, electrolytes disorders and analgesia in critically ill patients.

In her spare time, Andreza enjoys spending time with her husband, Marcelo, and sons, Lucas and Gabriel, and everything related to plants, gardens and orchids.
