

## Net Vet Weekly - March 9, 2020

### Vet Med Faces of Research: Dr. Reed Holyoak

Bullock Professor of Equine Theriogenology **Reed Holyoak, DVM, PhD, DACT**, has several projects going at the College of Veterinary Medicine Ranch. In this month's Vet Med Faces of Research, he talks about his focus on the reproductive microbiome. For the full story, visit [Vet Med Faces of Research: Dr. Reed Holyoak](#).

### Grissett Featured on KOSU

We all know mental health is vital for everyone especially those in veterinary medicine. **Jeremiah Grissett, MS, LMFT**, counselor and wellness coordinator for the College of Veterinary Medicine, was recently interviewed by KOSU. For the full story and to listen in on the conversation, visit [Mental Health Treatment Need Grows](#).

### Kiser Wins Lesion Quiz

### Dr. Clary Spoke on Euthanasia

Last week **Erik Clary, DVM, PhD, DACVS**, presented "Must a 'No' to Euthanasia Mean 'Yes' to Indefinite Medical Prolongation of Life?" at the Noble Research Center. Hosted by the OSU Department of Philosophy and the Friends of Forms philosophy club, Dr. Clary talked about the bioethics involved in withdrawing artificial nutrition and hydration from people diagnosed as being in a permanent vegetative state.

Clary is a PhD-trained bioethicist and board-certified small animal surgeon in the Department of Veterinary Clinical Sciences.

### House Officer Seminars

**Jackie Gross, DVM**, will present "Idiopathic Renal Hematuria" on Thursday, March 12, at 8 a.m. in Room 002C at the Veterinary Medical Hospital. Dr. Gross is a small animal medicine and surgery intern mentored by **Dr. Andrew Hanzlicek**.

**Nikole Irizarry, DVM**, will present "PLDA as Prophylactic Treatment of Thoracolumbar IVDD in Dogs" on Thursday, March 12, at 8:30 a.m. in Room 002C at the Veterinary Medical Hospital. Dr. Irizarry is a small animal rotating intern mentored by **Dr. Danielle Dugat**.

Congratulations to **Molly Kiser**, class of 2023! Kiser won the Department of Veterinary Pathobiology's Valentine's Day Heart Lesion Quiz receiving \$50 toward a dinner for two.

## Shaping Veterinary Medicine through Collaboration

Our Veterinary Medical Hospital offers clients and patients a unique experience from the size of the building, to the vast team at your service, to the fact that we see almost every species. But the thing that really sets us apart is our collaboration. Read more at [Shaping Veterinary Medicine through Collaboration](#).

## Dr. Biggs Featured on SUNUP

**Roslyn Biggs, DVM**, continuing education director and beef cattle extension specialist, was recently featured on SUNUP. To listen in, visit [Helping Cold Stressed Calves](#).

## Bull Soundness

If you are in the market for a bull, there are many things to consider to get the most return on your investment.

## Grand Rounds

The following presentations will be made during Grand Rounds on Friday, March 13, from 8 a.m. to 9 a.m. in Room 002C at the Veterinary Medical Hospital:

- **Megan Sitzman** - Ultrasonographic Examination of the Equine Limb
- **Josiah Dame** - Liver Disease in Dogs
