Remembering Dr. Clark

Yesterday marked the 25th anniversary of the Oklahoma City bombing. We honor all who were lost and especially **Dr. Margaret "Peggy" Clark** ('78). For the full story visit [Remembering Dr. Clark](#).

Dr. Strong 2020 Oklahoma Vet of the Year

Congratulations to **Dr. Rosemarie Strong** ('89) on being named the 2020 Oklahoma Veterinarian of the Year! Read the full story and see her in action at [Strong Named Oklahoma Vet of the Year](#).

Hospital Treats Emergency Case

As the hospital continues to treat all veterinary emergency cases, our food animal medicine and surgery team was happy to help this baby llama get a good start on life. Read more at [OSU Gives Baby Llama New Life](#).

masks for hospital co-workers. With the hospital donating PPE to hospitals in Tulsa, Stillwater and surrounding areas, the hospital was running short of masks. Nancy stepped up with resources and her sewing skills to provide protective masks.

- **Michelle Kuehn**, a senior administrative support specialist in the Dean's office, was nominated for her COVID-19 support. She started sewing masks before she knew there was a need. She made masks for McElroy Hall employees, graduate students and custodial staff. She also provided more than 100 masks for the hospital in addition to masks she made for family and friends.
- **Robin Madden**, veterinary lab manager at the Oklahoma Animal Disease Diagnostic Laboratory, has been involved with bringing COVID-19 sample testing online at OADDL. Robin rose to the challenge during this stressful time keeping morale of her staff as high as possible. Within a very short time, she worked hard to make sure this testing is successful.

House Officer Seminars

Two house officer seminars will be presented on Thursday, April 23, in Room 002C at the Veterinary Medical Hospital. Both recorded lectures will be available on Moodle in the course VBSC 6710.
