COVID-19 News

The Veterinary Teaching Hospital welcomes your referrals and emergency cases. Social distancing and proper PPE remain in place.

For a list of all CE courses available, the cost, and where to register visit Online Professional Development.

All COVID-19 related information can be viewed in detail on the College of Veterinary Medicine website including updated hospital protocols at COVID-19 Updates.

INTERACT Corner

This week we hear from Dr. Arvind Santhanakrishnan, associate professor and the Caroll M. Leonard Professorship in the School of Mechanical and Aerospace Engineering. His lab develops experimental and computational models to study diseases such as structural heart disease. Read more and watch a short video at Dr. Arvind Santhanakrishnan on INTERACT.

Granting Addie's Make-A-Wish

Last week, the college had the privilege of granting a wish to Addie, an 8-year-old cancer patient from Tulsa who wants to be a veterinarian. Our team went above and beyond in making sure Addie's day was special. Read the full story and watch a short video about Addie's day at Granting Addie's Make-A-Wish.

SA ECC Relief

Veterinarians and Locums Needed

The Department of Veterinary Clinical Sciences is looking for relief veterinarians or locums for our small animal emergency and critical care team. Read more about this wonderful opportunity to work in our new, improved Emergency and

April Employees of the Month

Congratulations to the 2021 April Employees of the Month:

- Sue Bickell is an animal caretaker III in the Veterinary Teaching Hospital. She is known for working hard, always smiling, friendly, helpful and willing to take on new tasks. Daily Sue is responsible for keeping small
animal patients clean, food supplies stocked and making lab runs to OADDL and mail runs.

- **Cayla Clouse** is a diagnostic technician at OADDL. She does a great job keeping things running smoothly in receiving and necropsy. Cayla has a great attitude and focuses on doing her job with accuracy and timeliness. She steps up when the department is shorthanded and came in when the extreme weather hit to make sure the work was done.

- **Jake Manley**, computer technician, **Kaden Vance**, computer technician, and **Ron Kuehn**, computer support specialist, were nominated as a team. Together they help more than 1,000 faculty, staff and students with any IT needs. They check every classroom before class, fix printers, install updates and more. They are always available to make sure the rest of us can continue with our work day.

**The Pet Buzz**

**Dr. Madhan Subramanian**, assistant professor in the Department of Physiological Sciences, was recently featured on an episode of The Pet Buzz. Hear him talk about his research on aging and age related diseases about 23 minutes into the radio broadcast at Dr. Subramanian on The Pet Buzz.

**House Officer Seminar**

**Stacey Woods, DVM**, will present "Rhabdomyosarcomas" on Thursday, April 29, at 8 a.m. in Room 002C in the Veterinary Teaching Hospital. Dr. Woods is a first year pathology resident mentored by Dr. Jim Meinkoth. The recorded lecture will be available on Moodle in the course VBSC 6710.

**Clinicians' Courses: Free Webinar Series**

The first of three webinars will be held Thursday, April 29, at 6 p.m. via Zoom. **Dr. Andreza Conti-Patara** will present "Small Animal Critical Care." For details and to register, please visit Clinicians' Courses: Free Webinar Series.

**OSU/OVMA Summer Seminar**

The 2021 OSU/OVMA Summer Seminar will be virtual on June 18-19 with a new viewing option! Thanks to sponsors Boehringer Ingelheim and Zoetis, a limited number of
available treatments. Read more at [When Horses Roar](#).

Online viewing seats are available for a Saturday only Watch Party in Oklahoma City. For more information, early registration savings and details on keynote speaker **Dr. Christine Jenkins**, visit [2021 OSU/OVMA Summer Seminar](#).
