

Net Vet Weekly - April 27, 2020

COVID-19 Update

The Veterinary Medical Hospital continues to see only emergency patients using curbside admission and discharge protocols.

Our clinicians remain available for phone consultations with primary veterinarians. Please call (405) 744-7000 for assistance.

COVID-19 related information can be viewed in detail on the College of Veterinary Medicine website at [COVID-19 Updates](#).

Surviving Veterinary College During COVID-19

As you know, COVID-19 forced classes to move to an online format for the remainder of the spring semester. See how students and faculty are adjusting in [Surviving Veterinary College During COVID-19](#).

Phi Zeta Student Inductees

Congratulations to this year's student inductees into the Nu Chapter of Phi Zeta! The Society of Phi Zeta is the

Whetsel Honored

Jonna Whetsel, class of 2022, was named to the *Journal Record's* Achievers Under 40 class. Whetsel will be honored at a luncheon to be held later this year. Read the full story at [Whetsel Achiever Under 40](#).

Managing Equine Wounds

Megan Williams, DVM, DACVS, shares tips on managing equine wounds including common injuries and what you need in a basic first aid kit. Read the full article at [Equine Wounds](#).

House Officer Seminar

Brian Weaver DVM, will present "Neonatal Resuscitation: The First 24 Hours" on Thursday, April 30, at 8 a.m. in Room 002C at the Veterinary Medical Hospital. Dr. Weaver is a food animal medicine resident mentored by **Dr. John Gilliam**. The recorded lecture will be available on Moodle in the course VBSC 6710.

COVID-19 Webinar

national honor society for veterinary medicine and recognizes academic excellence in veterinary students. See all those honored at [Phi Zeta Student Inductees](#).

Two New Diplomates

Congratulations to two faculty members for earning diplomate status in the American College of Veterinary Microbiologists!

Jennifer Rudd, DVM, PhD, DACVM, earned diplomate status in the bacteriology/mycology section. Rudd (OSU CVM '11) is a lecturer in the Department of Veterinary Pathobiology.

Ruth Scimeca, VMD, MSc, PhD, DACVM, earned diplomate status in the parasitology section. Scimeca is a clinical assistant professor in the Department of Veterinary Pathobiology.

Join us for a Zoom webinar on Thursday, April 30, at 6 p.m.

Wendy Hauser, DVM, AVP, will present "Practice Management in Uncertain Times: 5 Things You Need to Know to Survive and Thrive." Hauser (OSU CVM '88) is in veterinary relations with Crum & Forster Pet Insurance Group. Crum & Forster are providers of ASPCA Pet Health Insurance, sponsor of this webinar.

Register in advance for the webinar at [Registration](#). You will receive a confirmation email with the link to join the meeting.

Commencement

To honor the Class of 2020, the veterinary college will host a virtual commencement ceremony on Friday, May 8, at 1 p.m. Watch for further details on where you can see the live stream.
