COVID-19 News
The Veterinary Teaching Hospital welcomes your referrals and emergency cases. Social distancing and proper PPE remain in place.

For a list of all CE courses available, the cost, and where to register visit Online Professional Development.

All COVID-19 related information can be viewed in detail on the College of Veterinary Medicine website including updated hospital protocols at COVID-19 Updates.

Lamichhane Receives Graduate Award
Congratulations to Pramila Lamichhane on receiving the prestigious Robberson Summer Dissertation Fellowship from the OSU Graduate College! Lamichhane is a Ph.D. student in Dr. Tom Oomens' lab where she works on live-attenuated vaccines against respiratory syncytial virus or RSV, a common and significant health problem for young children and the elderly. Lamichhane generated and tested novel intranasal vaccines specifically designed for vaccine safety and developed several ELISA-

INTERACT Corner
This week we hear from Dr. Erik Clary, associate professor of small animal surgery and bioethics. Dr. Clary is working with colleagues at the veterinary college and across the country. Learn more and watch a short video at Dr. Erik Clary on INTERACT.

2021 Opioid CE - Pain Management in Animals
Welcome to a new online continuing education course for veterinary professionals brought to you by the veterinary college and the Oklahoma Veterinary Board at a reduced rate.

This course satisfies the full 2-hour requirement for Oklahoma licenses. Read more and register at Opioid CE - Pain Management in Animals.

The Pet Buzz
Dr. Mike Schoonover, associate professor of equine surgery and sports medicine and rehabilitation, was recently featured on The Pet Buzz, a nationally syndicated radio program.
based assays to look at the quantity and quality of the antibody response.

**Vet Med Faces of Research: Dr. Sunil More**

This month's segment of Vet Med Faces of Research features Dr. Sunil More, assistant professor in the Department of Veterinary Pathobiology. Dr. More studies two major respiratory infections - flu and COVID-19. Read the full story and watch a short video at Vet Med Faces of Research: Dr. Sunil More.

**Thank You, Aurora Pharmaceutical!**

Thank you to Aurora Pharmaceutical for once again donating money to support equine house officer research projects. Read the full story at OSU Veterinary College Receives Research Funding from Aurora Pharmaceutical.

**Clinicians' Courses: Free Webinar Series**

The second of three webinars will be held Thursday, May 13, at 6 p.m. via Zoom. Dr. Lyndi Gilliam will present "Equine Infectious Diseases Update." For details and to register, please visit Clinicians' Courses: Free Webinar Series.

**Rabies Continues to be a Threat to Animals**

Dr. Meredyth Jones discusses the threat that rabies still poses to pets, horses and livestock. Read the full article at Rabies Continue to Threaten Pets, Horses and Livestock.

Listen in as Dr. Schoonover discusses race horse injuries. His interview begins about 35 minutes into the program at Dr. Schoonover on The Pet Buzz.

**OSU/OVMA Summer Seminar**

The 2021 OSU/OVMA Summer Seminar will be virtual on June 18-19 with a new viewing option! Thanks to sponsors Boehringer Ingelheim and Zoetis, a limited number of online viewing seats are available for a Saturday only Watch Party in Oklahoma City.

For more information, early registration savings and details on keynote speaker Dr. Christine Jenkins, visit 2021 OSU/OVMA Summer Seminar.
