COVID-19 News
The Veterinary Teaching Hospital welcomes your referrals and emergency cases. Social distancing and proper PPE remain in place.

For a list of all CE courses available, the cost, and where to register visit Online Professional Development.

All COVID-19 related information can be viewed in detail on the College of Veterinary Medicine website including updated hospital protocols at COVID-19 Updates.

Thank You DetectaChem!
OADDL recently received a $20,000 donation from DetectaChem. OADDL partnered with the company last year in the development of DetectaChem's rapid COVID-19 test kit. Read more at Veterinary Diagnostic Lab Receives DetectaChem Donation.

INTERACT Corner
This week we hear from Dr. Josh Ramsey, the Robert N. Maddox Professor of Chemical Engineering in the College of Engineering, Architecture and Technology. His lab focuses on material and engineering aspects of drug delivery, which fits well with INTERACT. Learn more and watch a short video at Dr. Josh Ramsey on INTERACT.

House Officer Seminar
Jane Park, DVM, will present "Surgical Management Options for Ureteral Obstruction" on Thursday, May 6, at 8 a.m. in Room 002C in the Veterinary Teaching Hospital. Dr. Park is a small animal surgery resident mentored by Dr. Danielle Dugat. The recorded lecture will be available on Moodle in the course VBSC 6710.

Dr. Lara Sypniewski and Pete's Pet Posse
Dr. Lara Sypniewski talks about her role as veterinarian for the Pete's Pet Posse therapy dogs and more in a recent STATE magazine story.

Class of 2021 Commencement
Congratulations to the Class of 2021! Commencement will be in person on Friday, May 7, at 1 p.m. in Boone Pickens Stadium. Masks and social distancing will be required. To send a message to the class of 2021
Sypniewski is a clinical professor at the Veterinary Teaching Hospital and holds the Henthorne Clinical Professor of Small Animal Medicine. Read the full story at Dr. Lara Sypniewski helps care for Pete's Pet Posse.

SA ECC Relief Veterinarians and Locums Needed

The Department of Veterinary Clinical Sciences is looking for relief veterinarians or locums for our small animal emergency and critical care team. Read more about this wonderful opportunity to work in our new, improved Emergency and Critical Care Service at SA ECC Relief Veterinarians and Locums Needed.

OSU/OVMA Summer Seminar

The 2021 OSU/OVMA Summer Seminar will be virtual on June 18-19 with a new viewing option! Thanks to sponsors Boehringer Ingelheim and Zoetis, a limited number of online viewing seats are available for a Saturday only Watch Party in Oklahoma City. For more information, early registration savings and details on keynote speaker Dr. Christine Jenkins, visit 2021 OSU/OVMA Summer Seminar.
