

Net Vet Weekly - May 6, 2019

Client Supports Goat Kid Research

We truly have the best clients. **Debbie** and **Tim Sodowsky** have been driving two hours one way to help **Dr. Leslie Wagner** with her pregnancy toxemia research.

Find out more and see the goat kids at [Clients Support Goat Kid Research](#).

Class of 2020 Moves to Clinics

Congratulations to the **Class of 2020** on completing the first three years of the veterinary medicine program! The class transitioned to the clinics for their fourth and final year of veterinary college.

If you missed the Transition Ceremony, you can watch it on the CVHS Facebook page. For the link and to hear from the students, visit [Class of 2020 Moves Closer to DVM Degree](#).

Looking for Kissing Bugs

Dr. Kelly Allen, assistant professor of veterinary parasitology, is studying Chagas disease in Oklahoma. The disease can affect humans and dogs. Anyone can submit a kissing bug for evaluation at no charge.

Veterinary Biomedical Sciences Seminar

Julia Hilliard, PhD, will present "Opportunities for Rational Therapeutics Informed by Discoveries of B Virus: Host Cell Dynamics" on Thursday, May 9, at 3 p.m. in Room 259 McElroy Hall. Dr. Hilliard is a professor and director of the Viral Immunology Group and director of the B Virus Resource Center at Georgia State University.

Welcome Back, Class of 1969

A warm welcome home to the **Class of 1969**, who will be in Stillwater celebrating their 50th class reunion.

Sharon Worrell, alumni affairs and events specialist, has a full day of activities planned including recognition during the Hooding Ceremony.

Congratulations Class of 2019!

A heartfelt congratulations to the 84 new veterinarians in the **Class of 2019!**

Their Hooding Ceremony will be held on Friday, May 10, at 1 p.m. in Gallagher Iba Arena.

For more information, read [OSU Researcher Working to Learn More About Chagas Disease](#).

Jenny Earns Top Honors

Congratulations to **Jesse Jenny**, class of 2019, on receiving both the Gentle Doctor and the Dean Clarence H. McElroy Awards. For the full story on this talented young veterinarian visit [Jenny Earns Top Honors](#).

House Officer Seminar

Ian Konsker, DVM, will present "Anesthesia for Repeated Wound Management in a Grevy's Zebra (*Equus grevyi*)" on Thursday, May 9, at 8 a.m. in Room 104 at the Veterinary Medical Hospital. Dr. Konsker is an anesthesiology intern mentored by **Dr. Kip Lemke**.

For those unable to attend in person, the ceremony will be streamed live on [OState TV](#).

AC/VP is Going to ROCK the House

A reminder: **AC/VP's** final concert is on Friday, May 10, at 6 p.m. in the Seretean Center Concert Hall. **OSU's ACVP Club** is sending **Dr. Anthony "Slash" Confer** off to retirement in style!

Admission is a donation for the Dogs of Lincoln Program, which is a partnership between OSU veterinary students, the Humane Society of Stillwater, and Lincoln Academy, Stillwater's alternative high school.

Items requested include: dog toys, dog treats, Martingale collars, Gentle Leaders, and harnesses.
