Publication

Congratulations to Dr. Dah-Jiun Fu, anatomic pathology resident, on the following publication!

Dah-Jiun Fu, Akhilesh Ramachandran, Craig Miller. *Streptococcus pluranimalium* meningoencephalitis in a horse. *Journal of Veterinary Diagnostic Investigation.* June 10, 2021. For the full article, please visit Dah-Jiun Fu’s research.

INTERACT Corner

This week we hear from Dr. Fabio Pinaffi, assistant professor of theriogenology. Pinaffi talks about his reproduction related research and how INTERACT can connect him with other researchers who need his expertise. Read more and watch a short video at Dr. Pinaffi on INTERACT.

Borrowing Boys: Is it safe to lease bulls?

Dr. Meredyth Jones looks at the pros and cons of leasing breeding livestock males. Read the full article at Borrowing Boys.

Diagnostic Imaging Locums Needed

The Veterinary Teaching Hospital seeks diagnostic imaging locums for in-person service. Flexible dates are available with a minimum one-week commitment preferred. For complete details, please visit Diagnostic Imaging Locums Needed.

Getting to Know You

**House Officer Seminars**

Hugh Duddy, DVM, will present "Efficacy of a Liquid Amnion Allograph on Equine Healing" on Thursday, June 24, at 8 a.m. in Room 002C at the Veterinary Teaching Hospital. Dr. Duddy is an equine surgery resident mentored by Dr. Mike Schoonover.

Laura May, DVM, will present "Johne's Control Strategies in Beef and Dairy Productions" on Thursday, July 1, at 8 a.m. in Room 002C at the Veterinary Teaching Hospital. Dr. May
Felicia Brennan, DVM, is a small animal rotating intern. Originally from Oklahoma City, Brennan earned her DVM degree from Ross University. Her research interests include anything zoo or exotic animal related.

Brennan lived in the Philippines for about four years completing high school and three semesters of undergrad before returning to the U.S. In her spare time, Felicia enjoys drawing, digital painting and photography.

Favorite Quote: "Never let your fear decide your fate."

is a food animal medicine and surgery intern mentored by Dr. John Gilliam.

The recorded lectures will be available on Moodle in the course VBSC 6710.
