Dr. Reynolds Cowles

Here's a brief look inside the 50 year career of **Dr. Reynolds Cowles**, class of 1967 and current president of the American Association of Equine Practitioners ([full story](#)).

AEZ Service News

The **Avian, Exotics, and Zoo Medicine Service** at the Veterinary Medical Hospital has been extra busy lately. Here are two of their latest success stories: [Luke the Snapping Turtle](#) and [Naudia Helps Release Nora the Owl](#).

Getting to Know You

Getting to Know You

Kailey Anderson, DVM, is an avian, exotics and zoo medicine intern. Originally from San Diego, Calif., she earned her DVM degree from Cornell University. Anderson's research interests focus on any zoo and exotic species.

Kailey has been to 40 of our 50 states. In her spare time, she enjoys traveling, hiking, kayaking, camping and basically anything outside.

Getting to Know You

Eva Yun-Fan Kao, DVM, is a small animal rotating intern. Originally from Taiwan, she earned her DVM degree from the National Taiwan University and completed her PAVE Evaluated Clinical Experience at Oklahoma State University.

Kao's research interests focus on ocular manifestations of systemic disease, fluid therapy, and the interaction of feral animals, people and environments.

In her spare time, Eva enjoys painting, hiking, birding, volleyball and badminton.

Brandi Heckel, DVM, is a small animal rotating intern. Originally from Littleton, Colo., she earned her DVM degree from Kansas State University. Heckel's research interests focus on reproductive programs within the zoological setting.

Brandi earned a black belt in Tae Kwon-Do when she was 15. In her spare time she enjoys hiking, weight lifting, boxing/martial arts, baking, watching movies or TV, and traveling.
