

## Net Vet Weekly - June 29, 2020

### Veterinary Hospital Re-Opens during COVID-19

The Veterinary Medical Hospital is now accepting appointments for non-emergency cases.

Curbside admission and discharge protocols, social distancing and proper PPE are still in place. Read more at [Veterinary Hospital Expands Services](#).

All COVID-19 related information can be viewed in detail on the College of Veterinary Medicine website at [COVID-19 Updates](#).

### Congratulations, Dr. Craig Jones!

Congratulations to **Dr. Craig Jones** ('89) on being named a 2020 Distinguished Alumnus! Dr. Jones owns Northside Animal Clinic in Cleburne, Texas. He is one of three recipients in 2020. Read the full story at [Jones Named 2020 Distinguished Alumnus](#).

### Publication

**Allen K, Little S, Petersen M, Gruntmeir J, Barrett A, Herrin B, Starkey L, Sun F, and Guerino F.**

### Biosecurity Key to Preventing Spread of Disease in Rabbits

Practicing basic biosecurity measures can help protect rabbits against a highly infectious hemorrhagic disease. Raising domestic rabbits in environments such as raised cages or secure indoor housing may help to prevent contact and transmission of disease from infected wild animals. Read more at [Biosecurity Key to Preventing Spread of Disease](#).

### Navel Ill

Umbilical swellings in calves present a common problem for cattle owners. **Dr. Natasha Williams**, food animal medicine and surgery resident, discusses how navel ill starts and what you can do. Read the full story at [Navel Ill: A Conundrum of Calf Belly Button Bumps](#).

### Online CE Courses Available

A reminder for veterinarians and technicians - several online courses are available in time for Oklahoma license renewal (now due July 20, 2020). The cost is currently \$25 per course. Each course is worth one

Evaluation of oral fluralaner (Bravecto) for efficacy against nymphs of *Amblyomma americanum* and *Rhipicephalus sanguineus* (*sensu lato*). Parasites & Vectors (2020) 13(1):315; doi: 10.1186/s13071-020-04179-y.

## Getting to Know You

**Brooke Bennett, DVM**, is a shelter medicine intern. Most recently from Stillwater, Oklahoma, she earned her DVM degree from Oklahoma State University in 2020. Dr. Bennett's research interests include soft tissue surgery, emergency and critical care, feline medicine and behavior, companion animal nutrition, and community outreach and education.

During her undergrad, Brooke marched in the OSU Cowboy Marching Band all four years playing flute, piccolo and tuba. Yes, she went from a one pound instrument to a 40 pound instrument! In her spare time, she enjoys cross stitching, crocheting, walking, movies, The Sims, listening to podcasts, and reading.
