Veterinary Hospital Re-Opens during COVID-19

The Veterinary Medical Hospital is now accepting appointments for non-emergency cases.

Curbside admission and discharge protocols, social distancing and proper PPE are still in place. Read more at [Veterinary Hospital Expands Services](#).

All COVID-19 related information can be viewed in detail on the College of Veterinary Medicine website at [COVID-19 Updates](#).

Congratulations, Dr. George Renison!

Congratulations to **Dr. George Renison** ('88) on being named a 2020 Distinguished Alumnus! From Custer City, Oklahoma, Dr. Renison is a retired Colonel in the U.S. Army. Read the full story at [Renison Named a 2020 Distinguished Alumnus](#).

Publication

Roca R, Peura A, Kowaleski M, Watson M, Lendhey M, Rocheleau P, Hulse D. Ex vivo mechanical

First Results Released in Study

Drs. Mike Schoonover and **Brent Hague** (OSU CVM '93) are involved in a study using equine amniotic birth tissues to treat soft tissue and orthopedic horse injuries. Read more at [First Results from Field Study](#).

Vesicular Stomatitis

Vesicular stomatitis is a reportable disease. Confirmed cases are as close as south central Kansas. **Dr. Rosslyn Biggs** offers several tips on what to look for and how to treat it in [Vesicular Stomatitis: What You Need to Know](#).

Online CE Courses Available

A reminder for veterinarians and technicians - several online courses are available in time for Oklahoma license renewal (now due July 20, 2020).

The cost is currently \$25 per course. Each course is worth one credit. For a complete list of available online courses, visit [online course catalog](#).

properties of a 2.5-mm bone anchor for treatment of cranial cruciate ligament rupture in toy breed dogs. *Veterinary Surgery*, 2020; 49:736-740.

Dr. Rodrigo Roca is a small animal surgery resident.

Getting to Know You

Ghehni Galustanian, DVM, is a small animal rotating intern. Originally from Burbank, California, she earned her DVM degree from Azad University Science and Research Branch, School of Veterinary Medicine in Tehran, Iran. She completed her PAVE requirements at Louisiana State University. Dr. Galustanian's research interests include subjects related to cardiology and internal medicine.

Having lived in different countries, Ghehni speaks four different languages. She has been the lead singer in Wednesdaycall, an alternative rock band, played the piano, and been a group fitness instructor. In her spare time Ghehni enjoys hiking, sports of most any type, singing/listening to music, trying new restaurants and cafes, and traveling.

Favorite Quote: "Know who you are, know what you want, know what you deserve and don't settle for less."

House Officer Seminar

Kristen Clark, DVM, will present "Now We've Got Bad Blood: Bleeding Disorders in Small Animal Medicine" on Thursday, July 9, at 8 a.m. in Room 002C at the Veterinary Medical Hospital.

Dr. Clark is a small animal internal medicine resident mentored by **Dr. Andrew Hanzlicek**. The recorded lecture will be available on Moodle in the course VBSC 6710.

Getting to Know You

Robert "Bob" McCarthy, DVM, is an equine medicine and surgery intern. Originally from Omaha, Nebraska, he earned his DVM degree from Ross University. Dr. McCarthy just finished a year-long hospital rotating internship at Rood and Riddle Equine Hospital in Saratoga, New York.

Bob is the proud owner of a 3-year-old Bouvier named Kida. In his spare time he enjoys reading, hiking with his dog and theater.

Favorite Quote: "You gain strength, courage and confidence by every experience in which you really stop to look fear in the face. You are able to say to yourself, 'I lived through this

horror. I can take the next thing that comes along." - Eleanor Roosevelt
