Thank You for Visiting

Thank you to Megan Knight and Luke Vanderwork for visiting the Oklahoma Animal Disease Diagnostic Lab recently. Knight and Vanderwork are staff members for Congressman Frank Lucas.

Pictured above (left to right) are: Dr. Jerry Ritchey, Emily Cooper, Dr. Jerry Saliki, Megan Knight and Luke Vanderwork.

INTERACT Corner

Mark your calendar to attend the first INTERACT research symposium featuring Nobel Laureate Dr. Bruce Beutler on Oct. 12. In addition to Beutler's keynote address, several faculty and students will present their research. Read the full story at Nobel Laureate Visits OSU CVM.

Diagnostic Imaging Locums Needed

The Veterinary Teaching Hospital seeks diagnostic imaging locums for in-person service. Flexible dates are available with a minimum one-week commitment preferred. For complete details, please visit Diagnostic Imaging Locums Needed.

House Officer Seminar

There is no seminar this week. In the last issue, we incorrectly listed Dr. Laura May as an intern. Dr. May is a two-year food animal medicine and surgery resident. Our apologies to Dr. May.

Traveling with Pets

If you plan to take your pets with you as you travel this summer, Dr. Sarah Peakheart has some helpful tips. Read the full article at Traveling with Your Pet.

Congratulations, Dr. Williams

Getting to Know You
Congratulations to Dr. Natasha Williams on passing both of her exams for the American College of Veterinary Internal Medicine! Dr. Williams is a food animal medicine and surgery resident.

**Tick Talk**

Dr. Susan Little and Justin Talley share information about ticks - which ones are active now, increasing numbers, prevention tips and more. Read the full article at **Tick talk: Time for parasite prevention**.

**ACVP Election Results**

The election results are in for the American College of Veterinary Pathologists. Congratulations to Dr. Jerry Ritchey on being elected president elect!

**Heat Stress in Horses**

Summer is upon us and the temperatures are rising. Dr. Rosslyn Biggs and Kris Hiney offer important information on how horses respond to the heat and what owners can do to keep them healthy. Read the full story at **Heat Stress and Horses**.

Sabrina Dean, DVM, is a small animal medicine and surgery intern. Originally from Santa Cruz/San Jose, California, she earned her DVM degree from Oregon State University. Her research interests include zoo, wildlife and exotics medicine.

Dean spent time in Belize, Costa Rica and India doing veterinary internships. She also spent 8 weeks at the Oregon Zoo where she assisted with multiple procedures including a bat spay.

In her spare time, Sabrina enjoys hiking, reading, dancing, listening to music and spending time with her boyfriend and two cats watching TV and movies.

Favorite Quote: "I can't change the direction of the wind, but I can adjust my sails to always reach my destination." - Jimmy Dean
